Ethics in the University James G. Speight, 2016-08-26 It is the continuous reports of unethical behavior in the form of data manipulation cheating plagiarism and other forms of unacceptable behavior that draw attention to the issues of misconduct The causes of misconduct are manifold whether it is the need to advance in a chosen discipline or to compete successfully for and obtain research funding Disappointingly individuals who are oriented to any form of dishonesty are individuals who had previously

displayed little or no consideration for the feelings of others and are therefore more interested in themselves at the expense of the students and others recognizing them by any means necessary This ground breaking and honest examination of ethics in the university setting is unabashed in its descriptions of misconduct in the academic world The text is well furnished with numerous citations that point to academic misconduct and the final chapter deals with the means by which misconduct can be mitigated a strong reminder to everyone in the academic community that above board conduct must be part of our overall message of learning and part of the whole point of education in the first place A must have for academics and non academics alike this text is the second in a series of books on ethics by James G Speight and it is useful to anyone in any industry who is interested in ethical behavior and how to navigate the sometimes murky depths of our professional lives The Arab Spring Five Years Later Hafez Ghanem,2015-12-29 Volume 1 of The Arab Spring Five Years Later is based on extensive research conducted by scholars from a variety of backgrounds including many associated with the Japan International Cooperation Agency JICA The original research papers are gathered in volume 2 and are available for readers who wish to go even further in understanding the economic background of the Arab Spring Papers examine women s issues and agricultural practices in Morocco urban transportation small enterprises governance and inclusive planning in Egypt reconstruction in Iraq youth employment in Tunisia education in Yemen and more In addition to Hafez Ghanem contributors include Mongi Boughzala University of Tunis ElManar Tunisia Mohamed Tlili Hamdi University of Sfax Tunisia Yuriko Kameyama JICA Hideki Matsunaga JICA Mayada Magdy JICA Yuko Morikawa JICA Akira Murata JICA Kei Sakamoto JICA Seiki Tanaka JICA Masanori Yoshikawa JICA and Takako Yuki JICA The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces ,1921 *Who's who Among Students in American Universities and Colleges* Henry Pettus Randall,1974
