Mr Benson A Novel:

Mr. Benson John Preston, 2004-08 Mr Benson is the compelling story of a young man's quest for the perfect master. In a West Village leather bar he finds wealthy sophisticated exacting Aristotle Benson who leads him down the path of erotic enlightenment teaching him to accept cruelty as love anguish as affection and ultimately Mr Benson as his master. If John Preston the masterly handsome author of more than 30 books was himself a gay icon his character Mr Benson defined the culture of gay sex for an entire generation. When Mr Benson appeared in the pre AIDS early 1980s its unabashed celebration of male sexuality made it a cult favorite among gay men many of whom wore T-shirts declaring that they were looking for Mr Benson. The novel's fresh voice and insights into identity desire power and love influenced a generation of writers and editors including Anne Rice Samuel Delany Michael Lowenthal Laura Antoniou Joan Nestle Michael Rowe and Cecilia Tan. Mr Benson was Preston's first novel and was followed by many more books from the proud self-styled pornographer. **Book Review**

Digest, 1913 **The Cumulative Book Review Digest**, 1905 **An Act in a Backwater** E. F. Benson, 2018-02 Mr Benson writes from intimate knowledge and the inside. He is a part of the very society which he openly censures. His novel stands out as a strong bit of work in which he is very much at home. Its brilliant sayings and clever epigrams give it a finish and polish which are even more effective than the setting itself. What is more Mr Benson sees with a great deal of heart the tragedy of human experience and writes of it feelingly. *Boston Herald* Among our serious novelists of rank *The Athenaeum* In *An Act in a Backwater* Mr Benson gives us at least the shock of a surprise. For no one would have expected from the author of *Dodo* a mild and moving story which we might describe as the apotheosis of Family Herald fiction. There is a Colonel of course and an Earl's daughter the former a braggart and a coward the other an angel of democratic tendencies. The Canon's rebellious artist son falls in love with the Earl's daughter. When fever breaks out in the village the Earl's daughter is to be found by the bedside of the humblest and the Canon's artist son is meanwhile heroically watching over the illegitimate child of his oldest friend. The characterization is often excellent and thanks to Mr Benson's skill the story makes very agreeable reading. *The Bookman* Mr Benson has given us a pleasing study of life in a small cathedral town. The brother and sister of a poor nobleman settle there and introduce a novel element into the placid life of the place which gives many opportunities for comedy. The son of a canon an artist and therefore a rebel against the tyranny of the close falls in love with the sister and the progress of their romance is the main interest of the book. *The Spectator* As an example of his wit cleverness and knowledge of human nature *An Act in a Backwater* is a delightful bit of work. *The New York Times* **Athenaeum and Literary Chronicle**, 1900 **The Athenaeum**, 1900 **Current Literature**, 1908 **The Bystander**, 1905 *The Spectator*, 1897 *The Bookman*, 1893 **The Academy**, 1907 **The Sketch**, 1893 *The Dial* Francis Fisher Browne, 1902 **Public Opinion**, 1902 **Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1893 **The Illustrated London News**, 1905 **The American Review of Reviews** Albert Shaw, 1914 *American Monthly*

Review of Reviews Albert Shaw,1914 **The Story of Majorca and Minorca** Clements R. Sir Markham,2022-09-04 In *The Story of Majorca and Minorca* Clements R Sir Markham masterfully weaves a compelling narrative that explores the rich historical tapestry of the Balearic Islands Through meticulous research and vibrant prose Markham delves into the islands cultural evolution illuminating their significance in Mediterranean history His literary style balances scholarly rigor with accessible storytelling capturing both the beauty and complexity of Majorca and Minorca from their prehistoric roots to the impact of foreign rule trade and tourism This work serves as a critical exploration of how geography and culture intertwine to shape identity within the islands Clements R Sir Markham a distinguished historian and adventurer drew upon his extensive travels and keen interest in Mediterranean history to craft this illuminating work His background in exploration and commitment to understanding the geopolitical dynamics of the region provided him with unique insights essential for a comprehensive examination of Majorca and Minorca The author s fervor for uncovering hidden narratives and contextualizing them against the broader European backdrop is evident throughout this book For readers yearning to understand the cultural and historical intricacies of the Balearic Islands *The Story of Majorca and Minorca* is an indispensable resource It offers not only a scholarly exploration but also an invitation to appreciate the nuances that have forged the identity of these picturesque islands This work will resonate with historians travelers and anyone captivated by the allure of the Mediterranean Publishers' Weekly ,1905
