**Educational Success** Tebogo Maria Mothiba, Takalani Mutshatshi, Irene Ramavhoya, 2023-12-06 This book discusses health and educational success from a variety of perspectives It discusses the management of various health conditions such as diabetic mellitus epilepsy mental health hepatitis and HIV AIDS It covers a broad range of topics including strategies that can be used in a healthcare setting in communication as well as transmission of knowledge from one generation to another The focus of the chapters is on patients and their families physiotherapy occupational therapy biokinetics nursing medical students and their facilitators educators and institutions of higher education As such this book is relevant to a variety of sectors in health and education Working with indigenous knowledge Fhumulani M. Mulaudzi, Rachel T. Lebeso, 2022 The

aim of the book is to assist both local and international scholars in articulating the scholarly discourse on indigenous health attitudes practices and experiences The indigenous lens that was used to generate and disseminate indigenous knowledge in this book will strengthen indigenous scholarship thus making it accessible to a wider audience In addition the information shared in this book will add value for scholars and assist them with the indigenous knowledge needed to address sustainable development goals This book is timeous and topical as the discourse on the decolonisation of the curriculum is widely debated in the higher education space The discourse on the scholarship of indigenous knowledge as the tacit local knowledge that stems from cultural practices within communities has not been well articulated in the current health science education milieu Indigenous knowledge has remained overlooked and undermined for a very long time and the information remains untapped in local communities The scholars who conducted the research on which this book is based unearthed a wealth of knowledge which was tacit in nature and translated it into implicit knowledge that can be documented and shared with other scholars globally This knowledge will assist health care scholars in benefiting from knowledge practices and cultural beliefs that will assist them in health care planning teaching evidence based practice and further research *Condemned Again*

Skhumbuzo Letlaka,2015-01-31 The work was conceived over a number of years and it relates to the manner in which African leaders govern their countries after independence Its main focus is on the South African politics under apartheid where racism and racial segregation was the order of the day and where white supremacy implied black inferiority It looks at a number of issues including humiliation and brutality that led to the United Nations declaring apartheid as crime against humanity It focuses on the processes leading to the build up of pressures that forced the racist government to accede to the demands of the international community and also bow to internal pressures which were exerted by the South African people themselves This book is written by a comrade who grew up in the township of Clermont a student of politics under the tutelage of Archie Gumede a man who rubbed shoulders with radicals such as Patrick Terror Lekota and Diliza Mji amongst others and a staunch Catholic whose wedding was conducted by Archbishop Denis Hurley Skhumbuzo Letlaka is a product of a township struggle stay aways consumer boycotts strikes school boycotts street committees and their tight discipline kangaroo courts and the application of the Mandela Plan African Journal of Reproductive Health ,2004 **Absenteeism Amongst Nursing Students in a Limpopo College of Nursing** Phoenicia Dinah Baloyi,2014 Absenteeism Nursing student College Afwesigheid Verpleegkundestudent Kollege *Caring Science in Phc* Mogalagadi Makua,Thuledi Makua,2013-06-20 This Caring Science in PHC a guide for nurses in Primary Health Care intends to lead the lecturers facilitating the Clinical assessment diagnosis treatment and diagnosis Primary Health Care and the basic Community Nursing Sciences students on the assessment of the client in the Primary Health Care PHC clinics in both rural and urban countries The book teaches the integration of the caritas processes in the physical assessment Lecturers and students in other countries that have PHC as a qualification will also benefit from this book This book is based on the clinic practice setting as well as the needs and the expectations of the patients Utilization of Simulation by Nurse Educators and Learner Nurses at Limpopo College of Nursing Limpopo Province South Africa Freedom Ntshuxeko Mathebula,2017 **ECRM2013-Proceedings of the 12th European Conference on Research Methods** Isabel Ramos,Anabela Mesquita,2013-04-07 Complete proceedings of the 13th European Conference on Research Methodology for Business and Management Studies ECRM 2013 PRINT version Published by Academic Conferences and Publishing International Limited **Emerging Voices** Human Sciences Research Council,Education Policy Consortium (South Africa),2005 This examination graphically illustrates the conditions that make dreams of a better life for all virtually unrealizable in rural areas of South Africa Through the voices of rural people themselves this study tells not only what the problems surrounding education are but also what can and should be done when the South African government launches its offensive against poverty in rural areas Rigorous and qualitative the text is an overview of the need of great numbers of people for the opportunities and capabilities that education can provide for their futures It also shows the existing situation of many impoverished populations worldwide and illustrates that poverty and inequality continue where such issues are not addressed *The American Journal of Nursing* ,1921 Proceedings of the
