**Reading Israel, Reading America** Omri Asscher, 2019-11-26 American and Israeli Jews have historically clashed over the contours of Jewish identity and their experience of modern Jewish life has been radically different As Philip Roth put it they are the heirs jointly of a drastically bifurcated legacy But what happens when the encounter between American and Israeli Jewishness takes place in literary form when Jewish American novels make aliyah or when Israeli novels are imported for consumption by the diaspora Reading Israel Reading America explores the politics of translation as it shapes the understandings and misunderstandings of Israeli literature in the United States and American Jewish literature in Israel Engaging in close readings of translations of iconic novels by the likes of Philip Roth Saul Bellow Bernard Malamud Amos Oz A B Yehoshua and Yoram Kaniuk in particular the ideologically motivated omissions and additions in the translations and the works reception by reviewers and public intellectuals Asscher decodes the literary encounter between Israeli and American Jews These discrepancies demarcate an ongoing cultural dialogue around representations of violence ethics Zionism diaspora and the boundaries between Jews and non Jews Navigating the disputes between these rival siblings of the Jewish world Asscher provocatively untangles the cultural relations between Israeli and American Jews

*The Children of the Ghetto: I* Elias Khoury, 2019-07-23 Lit by the sublime beauty and tragedy of classical Arabic poetry a Palestinian falafel seller in New York sets out to shape fragments of his family history Weaving history memory and poetry this unforgettable novel and the 1st book in a trilogy provides a sprawling memorial to the Nakba and the strangled lives left in its wake Long exiled in New York Palestinian ex pat Adam Dannoun thought he knew himself But an encounter with Blind Mahmoud a father figure from his childhood changes everything It is when Adam encounters his former teacher that Adam discovers the story he must tell Mahmoud's testimony brings Adam back to the first years of his life in the ghetto of Lyda in Palestine where his family endured thirst hunger and terror in the aftermath of unspeakable horror With unmatched literary craft and empathy Khoury peels away layers of lost stories and repressed memories to unveil Adam's story Oscillating between two narrators the self reflexive Elias Khoury and Adam himself Children of the Ghetto My Name is Adam engages real and invented scholarly texts Khoury's own work and Adam's lost notebooks in an intertextual account of a life shadowed by atrocity

Deeper than Oblivion Raz Yosef, Boaz Hagin, 2013-06-06 In this collection leading scholars in both film studies and Israeli studies show that beyond representing familiar historical accounts or striving to offer a more complete and accurate depiction of the past Israeli cinema has innovatively used trauma and memory to offer insights about Israeli society and to engage with cinematic experimentation and invention Tracing a long line of films from the 1940s up to the 2000s the contributors use close readings of these films not only to reconstruct the past but also to actively engage with it Addressing both high profile and lesser known fiction and non fiction Israeli films Deeper than Oblivion underlines the unique aesthetic choices many of these films

make in their attempt to confront the difficulties perhaps even impossibility of representing trauma By looking at recent and classic examples of Israeli films that turn to memory and trauma this book addresses the pressing issues and disputes in the field today     **Narratives of Dissent** Rachel S. Harris,Ranen Omer-Sherman,2012-12-17 Students and teachers of Israeli studies will appreciate Narratives of Dissent     *Rhetoric and Nation* Shai P. Ginsburg,2014-06-26 Critics commonly hold that the modern Hebrew canon reveals a shared rhetoric that is crucial for the emergence and formation of modern Jewish nationalism Yet does the Hebrew canon indeed demonstrate a shared logic In *Rhetoric and Nation* Ginsburg challenges the common conflation of modern Hebrew rhetoric and modern Jewish nationalism Considering a wide range of literary critical and political works Ginsburg explores the way each text manifests its own singular logic that cannot be subsumed under any single ideology Through close readings of key canonical texts *Rhetoric and Nation* establishes that the Hebrew discourse of the nation should be conceived of not as a coherent and cohesive entity but rather as an assemblage of singular disparate moments     **Rain Taxi Review of Books** ,2008     *Book Review Digest* ,2008     **States of Emergency** Stephen

Morton,2013-01-01 *States of Emergency* examines how violent anticolonial struggles and the legal military and political techniques employed by colonial governments to contain them have been imagined in both literary and legal narratives Through a series of case studies Stephen Morton considers how colonial states of emergency have been defined and represented in the contexts of Ireland India South Africa Algeria Kenya and Israel Palestine concluding with a compelling assessment of the continuities between colonial states of emergency and the war on terror in Iraq Afghanistan and Pakistan

**Walled** Sylvain Cypel,2006 An award winning journalist explores the culture of denial in Israeli and Palestinian societies and its lethal consequences *Walled* examines the contemporary state of mind of Israel s citizens tracing the history of the State of Israel back to the Jewish national movement and the beginnings of Zionism Sylvain Cypel offers a lucid analysis of the Israeli Palestinian situation and powerfully demonstrates that the wall of protection erected in the West Bank by Israel is the most visible symptom of a society in peril Those who are walled Cypel argues are first and foremost the Israelis themselves who have chosen to ignore rather than acknowledge the existence and rights of their neighbors Through the study of political discourse intellectual controversy and national institutions such as the army and the educational system Cypel illuminates the mechanics of the culture of force that has led Israeli society into its current impasse *Walled* combines historical cultural and sociological analysis with personal testimonies and a delightful Jewish wit offering a cogent and gripping portrait of two peoples walled by denial Israeli society and its other the Palestinians     *The Economist* ,2008
