A Cross-Cultural Consideration of Teacher Leaders' Narratives of Power, Agency and School Culture Eleanor J. Blair, Carmel Roofe, Susan Timmins, 2019-12-23 A 2021 SPE Outstanding Book Award Winner Studies of teacher leadership have proliferated over the past fifty years Earlier work tended to focus exclusively on the link between teacher leadership and school improvement Now however cross cultural research on the relationship between teacher leadership and power agency and school culture has the potential to contribute to a deeper understanding of the teaching profession in diverse geographical and social contexts A Cross Cultural Consideration of Teacher Leaders Narratives of Power Agency and School Culture presents groundbreaking work that expands discussions of teachers work to highlight the struggles of a profession in three different countries England Jamaica and the United States This research provides examples of teacher leaders narratives about power agency and school culture presenting the voices of teacher leaders across diverse contexts It identifies the lessons that transcend culture and speaks to the importance of understanding how teachers work and teacher leadership functions within complex school cultures This work has profound implications for teaching learning and leading in a 21st century global economy Perfect for courses such as Teacher Leadership Educational Leadership and Management Teaching and Teaching Methods Action Research Applied Research

Data Analytics and Adaptive Learning Patsy D. Moskal, Charles D. Dziuban, Anthony G. Picciano, 2023-08-25 Data Analytics and Adaptive Learning offers new insights into the use of emerging data analysis and adaptive techniques in multiple learning settings In recent years both analytics and adaptive learning have helped educators become more responsive to learners in virtual

blended and personalized environments This set of rich illuminating international studies spans quantitative qualitative and mixed methods research in higher education K 12 and adult continuing education contexts By exploring the issues of definition and pedagogical practice that permeate teaching and learning and concluding with recommendations for the future research and practice necessary to support educators at all levels this book will prepare researchers developers and graduate students of instructional technology to produce evidence for the benefits and challenges of data driven learning

Sociology David M. Newman, 2022-08-11 In the Fourteenth Edition of *Sociology Exploring the Architecture of Everyday Life* David Newman shows students how to see the unfamiliar in the familiar to step back and see organization and predictability in their take for granted personal experiences With his approachable writing style and lively anecdotes the author's goal from the first edition has been the same to write a textbook that reads like a real book Many adopters of this book are fans of Peter Berger's classic works which helped introduce the idea of social constructionism to sociology Newman uses the metaphors of architecture and construction to help students understand that society is not something that exists out there independently of themselves it is a human creation that is planned maintained or altered by individuals Using vivid prose current examples and fresh data this text presents a unique and thought provoking overview of how society is constructed and experienced Instead of surveying every subfield in sociology the more streamlined coverage 14 chapters focuses on the individual and society the construction of self and society and social inequality in the context of social structures This title is accompanied by a complete teaching and learning package in SAGE Vantage an intuitive learning platform that integrates quality SAGE textbook content with assignable multimedia activities and auto graded assessments to drive student engagement and ensure accountability Unparalleled in its ease of use and built for dynamic teaching and learning Vantage offers customizable LMS integration and best in class support

US Foreign Policy in Action Jeffrey S. Lantis, Patrick Homan, 2022-07-12 This book represents a timely exploration of the dynamics of U S foreign policy development It introduces historical developments and theories of U S foreign policy and engages students in the politics and debates of the foreign policy process both directly and by proxy through innovative learning exercises This book offers a rich understanding of the politics behind clashing perspectives towards contemporary foreign policy challenges ranging from immigration policy controversies to COVID 19 pandemic responses climate change to the China trade war All of these issues are presented in dynamic ways that focus on activism and engagement in the policy process and so this text speaks directly to a new generation of college students who have mobilized to political activism The book is intended to serve as a core text for classes on U S foreign policy at the 200 level or above and will appeal to a broad audience New to the Second Edition Provides insights on contemporary foreign policy challenges facing the Biden administration and future presidents such as climate change the rise of China sanctions and trade policies and changing U S engagement in the Middle East Offers stronger theoretical foundations for the study of domestic constraints in the foreign policy decision making process including

the power of interest groups and political polarization in Congress Explains pedagogical treatments of online and hybrid learning applications along with presenting new exercises to engage students both in person in the classroom and online Presents more detailed and critical historical analyses of U S foreign policy including greater attention to the U S as an imperial power and its implications for politics and society Creates new and exciting active learning exercises for instructors and students including role playing simulations of global public health crisis management and group research projects on cybersecurity and immigration policy Enriches the graphics and illustrations of foreign policy actors and processes in a full color presentation Analyzes contemporary foreign policy issues in the Trump and Biden administrations Adds new web components and features some authored by undergraduate students who are becoming experts in U S foreign policy Includes new writing exercises and assignments designed to promote creative and critical thinking about foreign policy actors and processes
