

**Agim Leka, MD Lifetime Achievement Award Speech, Harvard Club,
New York City March 19, 2011**

I should like to thank all of you, the Nobel Laureate, Dr. Ferid Murad, Honorary Chairman of the Albanian American Medical Society, Dr. Peter Carmel, President-Elect of the American Medical Association (AMA), Dr. Jamie Torres, the N.Y. Regional Director of the Dept. of Health and Human Services and Dr. Lindita Çoku and the organizing Committee, who worked so hard to make this evening a success.

Particular thanks I wish to express to my coworkers at Our Lady of Mercy Medical Center (OLMMC), some of them coming from appreciable distances, notably Dr. C.S. Pitchumoni, former Chairman of the Dept. of Internal Medicine, Dr. Barry Fomberstein, Director of the Residency Program, Dr. Alan Berkower, Chief of the ENT Dept. and Maria Gennarelli who helped us so much in organizing the Flu Vaccine Sessions at Our Lady of Shkodra Catholic Church in Hartsdale, N.Y.

I am pleased to see my colleague and old friend, Dr. John Reilly, Chairman of the Dept of Medicine at the Mercy Medical Center in Rockville Centre, N.Y. This hospital has meant so much to me and to my family. It is where my children were born and where I spent countless hours and days over 40 years visiting my patients in nearly every room, interacting with my fellow physicians, discussing our cases or just exchanging niceties.

My sincere thanks go especially to the younger generation of Albanian American physicians trained in America --- and finally, to all of my friends that are here tonight.

I thank all of you.

What I have done to serve my community as well as patients of all nationalities in this beautiful American Landscape has sustained and nourished the essence of my being. Therefore, I have received more than I have given.

To the younger generation of physicians, I have no advice to give except to share my own feelings derived from my experience.

Life is hard and frequently unpleasant. For those who have trouble coping, as each one of us does from time to time, I have learned that happiness is synonymous with self-respect; that we are happy when we follow the voice of *conscience* and unhappy when we do not. Indeed, life

faculty and faculty developers make our lives more effective and more livable L Dee Fink author of *Creating Significant Learning Experiences* An amazing book essential reading for every faculty member The integration of sound scholarship and practical advice is extraordinary This book will power faculty workshops and faculty lives Barbara Walvoord professor emerita University of Notre Dame author of *Effective Grading*

The Elements of Public Speaking Joseph A. DeVito, 2000 *Elements of Public Speaking* 7e provides a highly engaging and comprehensive survey of public speaking in a flexible format adaptable to a variety of classrooms The major themes of the new edition are its integrated coverage of new technology inclusion of ethics emphasis on listening expanded coverage of culture and gender and continued coverage of critical thinking

Racial Innocence Robin Bernstein, 2011-12 In *Racial Innocence* Robin Bernstein argues that the concept of childhood innocence has been central to U S racial formation since the mid nineteenth century Children white ones imbued with innocence black ones excluded from it and others of color erased by it figured pivotally in sharply divergent racial agendas from slavery and abolition to antiblack violence and the early civil rights movement Bernstein takes up a rich archive including books toys theatrical props and domestic knickknacks which she analyzes as scriptive things that invite or prompt historically located practices while allowing for resistance and social improvisation Integrating performance studies with literary and visual analysis Bernstein offers singular readings of theatrical productions from blackface minstrelsy to *Uncle Tom's Cabin* to *The Wonderful Wizard of Oz* literary works by Joel Chandler Harris Harriet Wilson and Frances Hodgson Burnett material culture including Topsy pincushions *Uncle Tom* and *Little Eva* handkerchiefs and *Raggedy Ann* dolls and visual texts ranging from fine portraiture to advertisements for lard substitute Throughout Bernstein shows how innocence gradually became the exclusive province of white children until the Civil Rights Movement succeeded not only in legally desegregating public spaces but in culturally desegregating the concept of childhood itself Publisher's description

Criminalising Hate Speech Eric Heinze, 2024-12-31 Never in history have crises surrounding free speech raged with greater ferocity than we are witnessing today This is the world's first book to gather detailed country by country studies devoted entirely to the problem of hate speech spanning more than twenty nations The introductory chapter summarises various key concepts followed by a composite of the questions that were originally put to each of the Special Rapporteurs The chapters then provide the Rapporteurs detailed analyses of each country with several of the authors supplementing these with additional helpful insights In particular the abundance of case studies will help to dramatize the controversies that have been sparked by hateful expression in ways that continue to be relevant far beyond the borders of any one nation The chapters explain national legislation and case law tracking the challenges posed by growing extremism and social polarisation which is now more acute than ever before in our age of electronic media The authors also align these national developments with norms and procedures of leading international human rights bodies such as the UN Committee on Racial Discrimination the UN Human Rights Committee and the European Court of Human Rights This collection will be invaluable

for beginners as no prior knowledge is required At the same time given the chapters depth and breadth it will supply a research tool for advanced scholars lecturers and researchers in the areas of free speech human rights comparative law criminal law constitutional law and political theory as well as media and communications studies Eric Heinze is Professor of Law and Humanities at Queen Mary University of London He is currently a Trustee of the London based Media Diversity Institute and recently served as General Rapporteur on the Criminalisation of Hate Speech for the Acad mie Internationale de Droit Compar

PROFESSIONAL COMMUNICATION SKILLS BEEBE;

IVY;SCHMIDT;CONAWAY;RICHMOND;MCCROSKEY,2001 **Positive Ageing** Nilanjana Sanyal,Manisha Dasgupta,2020-12-20 This book presents a kaleidoscopic view of the positive layers of ageing as well as key interventions that can help generate and maintain positivity and well being among the elderly It explores the connections of ageing with spirituality nature and existentialism and leisure to encourage creativity individuation happiness and emotional detachment It further examines various interventions such as end of life care mindfulness and yoga retrospection life review and so on which may improve the overall quality of life by promoting the health of the elderly individual The book focuses on authentic ageing transpersonal gerontology the concept of the elder child geriatric interventions and caregiving and suggests practical improvements in health and facilities for the elderly It also covers aspects of the inner life of the prolonged ailing or dying person from a mental health perspective and emphasizes the value of positive ageing A guide to applied geriatrics and geriatric psychology with its simple style and clear methods in end to end praxis the book shows how mental well being can be fostered in the elderly to help them find meaning and purpose in old age This book will interest students teachers and researchers of psychology positive psychology geropsychology and gerontological studies sociology and social work public health medical education and geriatric nursing It will also be useful to practitioners including psychologists counsellors gerontologists mental health professionals and NGOs working with the elderly and the interested reader *Communication* Steven A. Beebe,Susan J. Beebe,Diana K.
