**SOMEBODY HELP ME BEFORE I HURT MY CHILD** Almost every mother has experienced an overwhelming uncontrollable anger while trying to meet the demands of parenting This is a story of a young mother who lost control of her monster within It is a narrative of child abuse from the viewpoint of the forgotten victim the screaming out of control parent Lu a teenaged mother adored her children and tried to be kind gentle and loving to them But she struggled daily with a rage borne of frustration Periodically this rage manifested itself in an explosive fury so intense that she gave it a name Mona the Monster in her attempt to rationalize the consequences of her cruel actions Although Lu thought of Mona as an actual demon possessing her her angry behavior was really a result of many factors including her youth inexperience at effective mothering skills and frustration at falling short of her ideals As Lu gained maturity and with the help of God family and good neighbors she learned how to master this monstrous rage within But it took a near tragedy before Mona was banished forever finally leaving only Lu in control and able to cope with the demands of motherhood And with God s help parents can break the cycle of child abuse or better yet keep it from ever happening This book tells the sad bad beginning of Mona Lu and the Bauer family but this story has a happy ending Readers may also be interested in *CHERISH EVERY MOMENT* Seaboard Press 2009 which tells the rest of this happily ever after story of terror and salvation Cecile R Bauer is a mother of ten grandmother to seventeen and great grandmother to a dozen or more beloved children Now known as Grandma Giggles she has come a long way from the screaming monster depicted in this book A writer from the age of eleven Bauer has published seven books and numerous articles and stories in magazines and newspapers from coast to coast She is experienced at public speaking on radio television and to large and small organizational meetings If I can help spread the good news about how to prevent child abuse I am willing to tell my sad story in order to help others caught in the tangle of negative emotions responsible for child abuse

**ABOUT THE AUTHOR** Cecile Bauer has been writing since the age of eleven She has seven previously published books both fiction and non fiction to her credit as well as countless stories and articles in magazines and newspapers from Sacramento California to New York City A wife for over fifty years mother of ten and grandmother to an endless clan of family members Bauer still makes time for volunteer work at her church The Bauer family motto is Thank God Laugh Every Day      *Raising My Children Alone* Shirley Wilson, 2004-07-01 This true story is so unbelieving it can be mistaken as fiction The protagonist is the mother of six children She struggles in a dramatic determination to achieve her lifelong goal to become a teacher along with trying to find a balance between raising and educating her children While her children look forward to a better life when their mother completes her education and gets a job she tries to find ways to help them survive on a meager income This book tells how the mother was abandoned by the man she married and how she was uprooted from her extended family She was left alone to survive with her children on a balding landscape of life As she draws her strength

from her Source of power she depicts a recreation of an extended family in her present community setting many miles away from her roots The mother does more than reveal survival skills in her dramatic captivating story Reading the book is a mirror It touches the lives of single parents and married couples with children The book shows how a family can emerge into a spiritual unity This is what some critics said about an excerpt or a chapter in the book 1 was practically on my toes the story forced me to read every page hoping and praying that the boy would get the bike for Christmas The story is so full of drama That s what good writing is all about Bravo Sandra Horton University Professor of Music 1 read at least 10 to 12 books a month This one is so different and among the best I felt like getting inside of the mother and helping her out in her plight Your ability to combine your literary craft with a true story is just simply remarkable The part about multi lighted windows of a newly builtsubdivision were staring at me through a wet misty foggy morning like yellow eyed jungle cats waiting for prey I found myself reading it over and over again What can I say It s simply didactic Loved it Joan Love International Motivational Speaker
