La Tombola Des Voyous:

French Crime Fiction, 1945-2005 Margaret-Anne Hutton, 2016-04-22 In the first major study of representations of World War II in French crime fiction Margaret Anne Hutton draws on a corpus of over a hundred and fifty texts spanning more than sixty years Included are well known writers male and female such as Aubert Simenon Boileau Narcejak Vargas Daeninckx and Jonquet as well as a broad range of lesser known authors Hutton s introduction situates her study within the larger framework of literary representations of World War II setting the stage for her discussions of genre the problem of defining crimes and criminals in the context of the war the epistemological issues that arise in the relationship between World War II historiography and the crime novel and the temporal textures linking past crimes to the present Filling a gap in the fields of crime fiction and fictional representations of the War Hutton s book calls into question the way both crime fiction and the French theatre of World War II have been conceptualized and codified

Une fabrique de la transgression Dominique Lagorgette, 2018 Pour qui s'intéresse la littérature populaire du XXe siècle il est impensable désormais de ne pas se pencher sur l'œuvre de Frédéric Dard qu'il s'agisse de sa production signée San Antonio ou des moins connus car très distincts dans le fond et la forme romans noirs signés de son nom Ce volume issu de deux colloques champriens sur la transgression et sur la langue et la critique de Dard montre toute la complexité du rapport la littérature de cet auteur renouvelant les codes du roman policier ou du roman noir en les transgressant tout en établissant sa propre pratique Se trace le panorama d'une œuvre aux multiples facettes dont on ne peut manquer de noter la cohérence même si le style donne parfois l'illusion d'une grande diversité De La Peuchère aux derniers romans c'est bien la même voix parfois allègre et plaisantine parfois sombre et tragique qui dicte les thèmes du rapport au mal la peur la mort au sacré Aux treize chapitres traitant de ces questions de fond et de forme s'ajoutent trois entretiens avec ses proches Albert Benloulou Françoise Dard et une interview de Frédéric Dard
