Receptions of the Ancient Near East in Popular Culture and Beyond Agnes Garcia-Ventura, Lorenzo

Verderame, 2020-03-01 This book is an enthusiastic celebration of the ways in which popular culture has consumed aspects of the ancient Near East to construct new realities The editors have brought together an impressive line up of scholars archaeologists philologists historians and art historians to reflect on how objects ideas and interpretations of the ancient Near East have been remembered constructed reimagined mythologized or indeed forgotten within our shared cultural memories The exploration of cultural memories has revealed how they inform the values structures and daily life of societies over time This is therefore not a collection of essays about the deep past but rather about the stories we tell ourselves about ourselves La Tour de Babel Jadis et Maintenant Julian Scutts, 2017-10-29 This publication incorporates a discourse in

Delabastita, 2016-04-08 Nothing like wordplay can make difference between languages look so uncompromising can give such a sharp edge to the dilemma between forms and effects can so blur the line between translation and adaptation or can cast such harsh light on our illusion of complete semantic stability In the pun the whole language system may resonate and so may literary traditions and ideological discourses It follows that the pun does not only put translators to the test it also poses a challenge to the views and concepts of those who study translation This book brings together experts on translation and the pun as well as researchers representing a variety of other relevant disciplines and schools of thought ranging from theology to deconstruction and from contrastive linguistics to feminism It can be read as a companion volume to Wordplay and Translation a special issue of The Translator Volume 2 Number 2 1996 also edited by Dirk Delabastita **The native**
