## **Lifes A Jokeenglish Edition:**

Life is Like a Glass of Tea Richard Raskin, 2015-08-21 The first book on Jewish humor in which individual jokes are singled out for comprehensive study Life is Like a Glass of Tea devotes a chapter to each of eight major jokes tracing its history and variants and looking closely at the ways in which the comic behavior enacted in the punchline can be interpreted One of the unique properties of classic Jewish jokes is their openness to radically different interpretive options having nothing to do with wordplay or double entendre This openness to alternate interpretations never before discussed in the literature on Jewish humor gives classic Jewish jokes their special flavor as they leave us wondering which of several possible attitudes we are expected to hold toward the comic figure An additional chapter is devoted to the ways in which Jewish jokes tend to evolve over time and across language and cultural barriers Throughout the book in fact one can see the processes that Jewish jokes undergo over decades as their comic potential is unfolded in successive stages and when they are transplanted from European to American soil Now in its Second Edition this expanded version adds two new chapters and new introductory material It includes a 2015 Foreword by Marc Galanter who notes that the author is concerned not only with what makes jokes funny but with what makes some of them profound His imaginative response to this puzzle makes this little book a distinctive and engaging contribution to the literature on Jewish jokes and on jokes generally It will appeal to the general reader as well as to readers especially interested in Jewish culture the psychology of humor religion ethnography and folklore Richard Raskin's book on Jewish humor was the most original and useful I found in years of research on the topic I'm delighted to see it back in print and with added chapters Ruth Wisse Professor Emerita Yiddish and Comparative Literature Harvard University Author No Joke Making Jewish Humor 2013 A fascinating book that explores the richness of Jewish humor Raskin offers a thought provoking analysis of what makes Jewish humor special Raskin merges an understanding of Jewish culture fresh psychological insights and a sophisticated reading of jokes and their evolution to create a gem of a book However it is not just an outstanding book on Jewish humor It is an outstanding book on humor Period After reading it you won't laugh the same way again Dov Cohen Professor Department of Psychology University of Illinois Co editor Handbook of Cultural Psychology 2007 *Life*, 1926 Life's a Joke Dr. J. T. Dock Houk, 2015-12-17 Sometimes life hands you lemons In this collection of jokes autobiography and personal philosophy author and businessman Dr J T Dock Houk makes an ocean of lemonade Life's a Joke compiles four books It's All About Me My Life with a Girl Kids and Pets and Life Around Us recounting 1 162 jokes funny anecdotes and descriptions of Sunday morning comics clippings of which Dock has been collecting for an incredible amount of decades As the author writes What I mean to convey by saying life is a joke is that humor has helped me over some of the rough spots by showing me a side of life that either explains what I am feeling or gives me a glimpse of something I also see Humor whose visual expression is often a joke makes me smile or even laugh out loud And sometimes if you don't laugh you might cry So crack open Life's a Joke and crack a smile You might learn a little wisdom but if not at least
