Meher & Me Farah,2023-04-17 A Tale of an Unconventional Life and Courage Developed Through a Combination of Nature Nurture and Skills Acquired Along the Way My mother Meher believed that we choose our lives for the lessons we will learn These lessons flow into each of our lives for us to find a way to develop our innate emotional strength There are no common methods or modalities for dealing with life's challenges as they arise and so we all struggle until we discover our own unique blend of tools to navigate the journey Meher Me describes some of the situational lessons I am supposed to have chosen which I have had to learn to deal with One such lesson started with a phone call in the middle of the night that shook my world Your mother has been shot We are taking her to hospital You have to come home Come quickly In this Mother Daughter Relationship Memoir I share my struggles to reconcile the mysteries of life and death and as I looked back it was difficult to accept that I would have wished to be displaced as a child or could have chosen to have my father abandon me and my stepfather reject me Would I really have picked a life where my mother was shot Reeling from the magnitude of what transpired I embarked on a journey inward to find the strength to overcome the harrowing tragedy harnessing my inner strength to find meaning in my life which ultimately brought me to a place of equanimity I sought I hope that by sharing my memories of this life and the lessons it has dealt me I will leave you with something you can take from my journey and use in your own life For my mother Meher who continues to watch over me

and education with its power to overcome ignorance intolerance and narrow mindedness and instilled in her a love of books and knowledge From her mother Gloria she learned perfect posture the twist the fear of abandonment and soul shattering cruelty Two constants defined Kaylie s childhood literature and alcohol Only one word was whispered in the house as if it were the worst insult you could call someone she writes alcoholic was a word my parents reserved for the most appalling and shameful cases drunks who made public scenes or tried to kill themselves or ended up in the street or in an institution If you could hold your liquor and go to work you were definitely not an alcoholic When her father died from heart failure complicated by years of drinking sixteen year old Kaylie was broken and lost For solace she turned to his work looking beyond the man she worshipped to discover the artist and his craft determined that she too would write Her loss also left her powerless to withstand her mother s withering barbs and shattering criticism or halt Gloria s further descent into a bottle one of the few things mother and daughter shared From adolescence Kaylie too used drink as a refuge a way to anesthetize her sadness anger and terror For years after her father s death she denied the blackouts the hangovers the lost days the rage the depression Broken and bereft she began reading her father s novels and those writers who came before and after him and also pursued her own writing With this she found the courage to open the door on the truth of her own addiction Lies My Mother Never Told Me is the mesmerizing and luminously told story of Kaylie s battle with alcoholism and her struggle to flourish despite the looming shadow of a famous father and an emotionally abusive and damaged mother Deeply intimate brutally honest yet limned by humor and grace it is a beautifully written tale of personal evolution family secrets second chances and one determined woman s journey to find her own voice and the courage to embrace a life filled with possibility strength and love *You Carried Me* Melissa Ohden,2020 Melissa Ohden is fourteen when she learns she is the survivor of a botched abortion In this intimate memoir she details for the first time her search for her biological parents and her own journey from anger and shame to faith and empowerment *Alzheimer's Disease Memoirs* Pramod K Nayar,2021-12-06 This book examines writings by people living with Alzheimer s Disease and their caregivers Its focus areas include the construction of the self in the face of diminishing linguistic and cognitive abilities the stigmatization of ageing the various narrative strategies that these texts often collaborative employ the health activism and advocacy generated via a biosociality and the ethics of care It examines the disease writing genre about a condition that ravages the ability to use language It serves as a literary examination of the work done in this area through a critical reading of the memoirs of those with AD and caregivers and a healthy dose of literary theory The book is a valuable resource for those interested in literary and critical theory and researchers in the field of ageing dementia studies **Don't Call Me Mother** Linda Joy Myers,2005-05-01 I have long been one of those who avoided dealing with death who dodged sentiment who felt that stories about the loss of a loved one were a bit indulgent a way of saying my pain is greater than your pain That was before I lost my father and my wife lost her mother both within ten days And that was before I read Linda Joy Myers s Don t Call Me Mother This is powerful
