

QUESTION STEMS

CHARACTER | Question Stems

Level of Challenge

Question Stems – Always support with evidence!

1 – Comprehend & Identify For this level, students can define concepts, recall information, and identify literary elements in a text.	<ul style="list-style-type: none"> Who are the characters in the story...? Describe the main character. What is [character] like? What does [character] do in the story?
2 – Explain & Apply Students can identify literary elements in a text and explain how they affect the way the text is understood.	<ul style="list-style-type: none"> How would you characterize [character]? Characterize [character]. How would you describe their personality? What does [character]'s actions reveal about their character? What evidence from the text reveals the character's traits? Explain whether the evidence is a form of direct or indirect characterization. What does [character]'s actions reveal about their character?
3 – Analyze Students can examine how literary elements shape the text's meaning.	<ul style="list-style-type: none"> How has [character] changed since the beginning of the story? Why has [character] changed? How does the author use direct and indirect characterization to develop [character]? What motivates [character] to [action]? What does this motivation reveal about their character? How are [character 1] and [character 2] alike? How are they different? Why are these similarities and differences significant? What detail best highlights a change in [character's] character?
4 – Synthesize Students can evaluate the way literary elements create deeper meaning in a text and connect ideas across texts.	<ul style="list-style-type: none"> Write a letter from the perspective of [character] about an important event from the story. In the letter, capture [character]'s character traits and motivations. What would [character] do if [scenario] happened? Why would the character respond in this way? How does the character respond to their problem? What does this response reveal about their character? Do you agree with the character's actions? Why or why not? How has the character's feelings changed towards their situation? What does this change in feeling reveal about them? Analyze the character's comment. What do you think the character means? What does the comment reveal about them?
