KINDERGARTEN PRACTICE PAPERS

Dear Parents,

Your child will be given 2 practice papers each night as an optional reinforcement of the skills we are building on in class. Homework is not required from the students until they reach the First Grade. However, each year there are numerous requests from parents for supplemental work. I am hoping that providing optional "Practice Papers" will prove to be helpful to many families.

Your child will receive 1 language arts paper and 1 math paper Monday through Thursday. It is also important to make this a positive experience for your child by recommending scheduling a set time for homework each day for consistency.

Please have your child place completed Practice Papers in their folder and bring them to school each day. This allows me to assess student's academic support or challenges throughout the year.

Along with the homework, it is valuable that your child regularly practices foundational skills such as sight words, counting to 100, writing uppercase and lowercase letters, letter sounds and counting objects.

Thank you for all your support for your child in this important phase of their education!

Kindly,
Ms. Vink
