Mini-Lesson:	Authors do not always provide complete descriptions of a topic, setting, character, or event. However, they do provide clues that readers can use. Inferring is just putting clues together to help you figure it out. I love to use real life photographs. I always begin doing one or two at a whole group so students can see me model making inferences using the photographs. Print or show the photographs from : https://unsplash.com/s/photos/childhood Brainstorm what we think is happening in the photograph and record our thoughts. I like to use the line: I can infer _____ because I know _____ and I see _____ Read <i>I Want My Hat Back</i> by Klassen and have fun inferring!
