life has become small Grieving for a family she has lost or lost touch with she s haunted by the echoes of her footsteps in her empty home the sound of the radio in the dark the tick tick tick of the watching clock Spiky and defensive Missy knows that her loneliness is all her own fault She deserves no more than this not after what she s done But a chance encounter in the park with two very different women and one lovable dog opens the door to something new Another life beckons for Missy if only she can be brave enough to grasp the opportunity But seventy nine is too late for a second chance Isn t it **The Love of Centuries** The Supreme Master Ching Hai,2011-01-01 Poetry is an artistic stylistic expression and reflection of the spirit Wu Tzu s poems transcend the preconceived thinking of worldly people just like a pure lotus amidst the dusty world a radiant lighthouse in the stormy sea and a rainbow across a dark cloudy sky The style of Wu Tzu s poetry is sometimes soft and gentle as a slow flowing stream or sometimes vibrant and forceful as a thousand horses racing Her verses are imbued with graceful and otherworldly qualities When expressed in the Poet s simple conversational words these verses often belie their profound meanings and pure lyrical beauty With a refreshing choice of words and harmonious rhythms in Her poems the Poet has created a beautiful ethereal world as well as a poetic style that is at once romantic and splendid Above all these poems seem to have been created with total spontaneity and yet their effect is total enchantment **Novels and Tales:** **Henrietta Temple, a love story** Benjamin Disraeli,1927 **Second Inning: Rewriting Your Love Story** Selvi Mohanraj, What happens when love doesn t last forever When a marriage ends when a partner leaves or when life itself takes someone away is that the end of your story or the beginning of another Second Inning is a heartfelt exploration of love loss and the courage to begin again Through moving client stories soulful reflections and practical exercises this book guides you through the tender journey of second chances It speaks to those grieving divorce those healing after separation and those daring to love again after heartbreak or death Inside you ll discover how men and women process separation differently how to release guilt when starting over and how to consciously balance the masculine and feminine energies within you Beyond healing you ll also learn the art of manifestation how to align your thoughts energy and intentions to attract healthier love and create the relationships you truly deserve You will get guided self reflection exercises and gentle journaling prompts designed to help you pause process and rewrite your love story in your own words These practices give you not just insights but tools to rebuild yourself with clarity and confidence Written in simple compassionate language Second Inning is more than a book about relationships it is a guide for the soul It reminds you that you are never too old too broken or too late to love again If the first inning of your love story was about innocence and discovery the second inning is about wisdom balance and conscious choice Whether you are standing in the ruins of heartbreak or quietly wondering if love has another chapter for you Second Inning will give you hope courage and practical steps to step forward Because love doesn t end it transforms And sometimes the second inning is where the real story begins **The Country Minister's Love Story** Maria Bell,1895 **The Battle of Life.
