King James S Bible A Selection:

King James's Bible W. H. Stevenson, 2013-12-16 Without an understanding of Biblical stories readers lose out on much of the richness of English literature as authors from Milton through T S Eliot to Jeanette Winterson draw inspiration from Biblical stories in their own writing This user friendly annotated selection of key passages from the King James s Bible clarifies the key themes characters stories and genealogies for students offering timelines a bibliography and a detailed index for quick and easy reference The original 1984 version of which this is a revised edition was written by Bill Stevenson as a response to his students difficulty with biblical references in literature a selection from the King James s Bible that would give the student a notion of what the book contains including the history of the 1611 text the strands of imagery that bind the whole together It gives the student a brief overview of the political historical and religious contexts of the stories in the Bible as well as a brief history of the different versions of the Bible

King James's Bible W. H. Stevenson, 2010 **King James's Bible** W. H. Stevenson, 1994 substantial extracts have been chosed to illustrate the principal theories of the Authorised Version its pervasive imagery and its range of literary forms and styles headnotes and annotations elucidate the background and draw attention to matters of literary forms and stylistic interest passages presented act as stepping stones which enable the reader to investigate the rest of the bible at leisure *Biblical Studies on the Internet* Roland H.

Worth, 2002-01-01 With this handbook of currently available internet resources for use online or to be downloaded to one s personal computer the users can locate the exact spot on the internet to find the materials they want And they will save countless hours of frustration and work Over 3 300 websites provide information on a range of topics English language Bible translations that can be used online or downloaded sites to listen to hymns on the Internet Bible translations into 57 non English languages non English commentaries dictionaries and other resource materials Hebrew Greek and other ancient language texts and resource materials numerous commentaries on any one single biblical book or on the entire scriptural canon supplemental materials dealing with everything from devotional studies to issues of fundamental biblical interpretation and pseudo authoritative writings related to the two testaments Multiple sites are given for each resource cited whenever possible *The Bibles of Babylon* Dennis H. Boone, 2024 Many sincere Christians are unaware of the questionable changes that have been made to God s Word and the impact those changes have had or will eventually have on key Christian doctrines taught in the Bible the King James Version KJV After studying and researching this controversial topic for thirty two years the author presents information that will address many questions you might have about the modern bible versions It s a crucial issue for the church today because it will reveal a great deal about the nature of our commitment to biblical authority and our approach to the interpretation of Scripture As Christians we may not agree on every jot and tittle but the author believes Christians who study God s Word are very astute people and deserve to know and understand the spiritual issues they face so they can make an informed decision based on biblical principle and the authority of God s Pure Word The Bibles of Babylon is

not an exhaustive study about which Bible is the Word of God Instead it is an attempt to speak the truth in love Eph 4 15 while sounding a spiritual warning about the inherent dangers in using many modern bibles It presents a simple nontechnical approach to an issue that hopefully will challenge readers and especially church leaders to investigate for themselves the weight of evidence presented There have been scores of books written for and against the KJV so readers will need to decide on which side of the issue they stand The examples presented in this book are just a small sampling of the thousands of changes that have been made to God s Word to cast doubt upon its veracity and cause confusion in the hearts and minds of His people The author s prayer is that all Christians particularly Seventh day Adventists who truly love God s Word will carefully and prayerfully compare Scripture with Scripture to be certain what they read in one place of the Bible does not contradict what is said in another Let s remember what God told His people through the prophet Hosea My people are destroyed for lack of knowledge Hosea 4 6
