Leaf And Beak Sonnets:

Leaf and Beak Scott Wiggerman, 2015-02-15 Most mornings for the past decade poet Scott Wiggerman has walked the trails at Austin's Mueller Lake Park an urban space created on land that once held the city's airport Awake to the landscape as he walked Wiggerman stopped from time to time and jotted a word or phrase for a poem that would come later Leaf and Beak is the product of these walks of the poet's ever watchful eye of the discipline he learned mastering the sonnet Readers are in good hands here The sonnets seventy five of them flow so smoothly you can forget you're reading a sonnet and just let the images take you in the rhythms move you forward The poems of Leaf and Beak are quiet poems reflective poems poems that ask you to walk in stillness for moments at a time to absorb the hidden in full view to appreciate a lone green leaf that hangs on like a weekend birthday deaf to bitter winds Wiggerman moves from the observed image letting some details turn him inward while others lead to meditations on his fellow beings on the world he walks What will tomorrow bring that now cannot be seen he asks What change what wonders to discover Open-Hearted Horizon Valerie Martínez, Shelle VanEtten de Sánchez, 2024-02-15 Open Hearted Horizon An Albuquerque Poetry Anthology invites you into a poetic conversation The anthology includes a wide range of Albuquerque based poets and poems that are inspired directly associatively obliquely by Albuquerque New Mexico as a place and as a community Anthologies commonly celebrate a multitude of voices Because this one is place based it aims to draw you into a circle that deepens your sense of place and people of contexts and cultures whether you know Albuquerque or not Because the Albuquerque poetry community is characterized by its support for individual writers and by a strong impulse toward creative collaboration Open Hearted Horizon features poems in multiple voices In addition to poems by individual poets this collection also features collaborative works including those by the EKCO collective and one that features a line from every poem in the anthology Overall the collection invites you to experience Albuquerque in all its richness diversity and depth The Practicing Poet Diane Lockward, 2018 Organized into ten sections with each devoted to a poetic concept The Practicing Poet begins with Discovering New Material Finding the Best Words Making Music Working with Sentences and Line Breaks Crafting Surprise and Achieving Tone The concepts become progressively more sophisticated moving on to Dealing with Feelings Transforming Your Poems and Rethinking and Revising The final section Publishing Your Book covers manuscript organization book promotion and presentation of a good public reading The book includes thirty brief craft essays each followed by a model poem and analysis of the poem's craft then a prompt based on the poem Ten recyclable bonus prompts are also included Ten Top Tips lists are each loaded with poetry wisdom from an accomplished poet The Practicing Poet pushes poets beyond the basics and encourages the continued reading learning and writing of poetry It is suitable as a textbook in the classroom a guidebook in a workshop or an at home tutorial for the practicing poet working independently The craft essays poems and top tips lists include the work of 113 contemporary poets The Strategic Poet Diane Lockward, 2021 The Strategic Poet Honing the Craft focuses on the craft of

poetry and is based on the belief that craft can be taught and the best teacher of craft is a good poem This book assumes a knowledgeable reader that is one who already knows the language of poetry and already practices the craft This book is organized into thirteen sections each one devoted to a specific poetic strategy While only thirteen strategies are used for organizational purposes the reader will find many additional strategies referred to and discussed within the sections There is a progression from one section to the next but each section also stands alone so the reader or teacher can follow the order of the Contents or move about freely among the sections Each section begins with a Craft Talk solicited from a well known poet with a clear mastery of craft Each Craft Talk is followed by Model Poems and Prompts Each Model Poem is followed by an analysis of its craft elements especially its use of the section's strategy One Model Poem in each section is followed by a Commentary from the poet who wrote the poem and is focused on a particular strategy used in the poem Each of the thirty six Prompts is followed by two Sample Poems written to the prompts These seventy two poems demonstrate that the prompts are not mere exercises and can produce terrific poems Each section ends with three Bonus Prompts There thirty nine additional prompts were contributed by thirteen contemporary poets These short prompts provide additional practice with the strategies can be used multiple times and should lead to some good poems Contributors include 114 of our best contemporary poets This book is suitable for use by poets working independently by poets in writing groups and by teachers in the classroom
