Kids Bible Lessons On Helping Others:

With Jesus I Learn Teamwork G. L. Charles, Good News Meditations, 2025-04-07 Tim and Kay aren't thrilled when their dad asks them to do chores. With leaves to rake and toys to pick up, the jobs feel overwhelming until their father shares a powerful Bible story that changes everything. Through the story of four faithful friends who worked together to help a man reach Jesus, Tim and Kay discover the power of teamwork. As they begin working together, they find joy, connection, and success in helping each other, and they learn how teamwork can also be used to serve others in love. This beautifully illustrated Christian children's book teaches young readers the value of cooperation, helping others, and applying biblical wisdom to everyday life. What your child will learn: A relatable story shows how working together turns overwhelming tasks into fun, shared experiences. A powerful Bible lesson based on the story of the paralyzed man and his four friends (Mark 2:1-12) teaches children how teamwork can change lives. Faith-based values encourage kindness, service, and unity, perfect for character building at home or in the classroom. Ideal for young readers, great for children ages 4 to 9, from pre-K to grade 3, whether for bedtime, homeschool, or Sunday School. If you're searching for Christian children's books or Bible stories, **With Jesus I Learn Teamwork** is a must-have for your bookshelf. Show your child the joy of working together with others and serving in love. Add this inspiring story to your library now.

Wild Truth Bible Lessons--Pictures of God Mark Oestreicher, 2010-06-01 Here are 12 active Bible lessons for junior high Sunday school classes or youth group meetings, each one based on one of the 50 pictures of God presented in Wild Truth Journal. Pictures of God energetically, relevantly, and scripturally. The lessons are loaded with off-the-wall and easy-to-do discussion starters, video ideas, scripts, and games with a point. And of course, there are plenty of Bible passages and studies to springboard junior highs from the abstract into the concrete. As open Bibles in hand, they explore the nature of God in a lively, relevant way, then begin practicing the traits of God in their own lives. 12 lessons.
