## Writing

We will publish and celebrate the All About Books we wrote in May. We will also think about all we learned this year as writers. We will use what we know to practice our writing in a variety of genres and topics. Don't forget to encourage your child to continue writing throughout the summer months!

## Reading

We will be preparing for first grade by continuing to practice our reading strategies in our leveled books. We will continue to build our comprehension skills through independent reading and read alouds. Practicing reading every day is important for developing readers. Continue to make time for reading every night throughout the summer.

## Science and Social Studies

In Science we will continue to observe the garden, especially the growth of the seeds we planted. We will notice and discuss the changes we have seen throughout the year.

In Social Studies we will continue learning about our neighborhood. We will think about all the important parts that make a neighborhood.

## Math

This month we will continue to build our understanding of addition and subtraction to prepare for first grade. We will continue to compose and decompose numbers. We will apply the problem solving skills we gained throughout the year to new problems.

HAPPY  
FATHER'S  
DAY!
