Kingdom People Living by Kingdom Principles Dr. Dalton Jenkins, 2013-07-08 We do not have to travel to some foreign country to locate the mission field Right here literally in our backyards the world has come to us The church's basic mission is to preach the gospel of the kingdom of God this message has social and political aspects to its application This is the fundamental responsibility of the church This message is holistic and affects the total person As the church develops a comprehensive and practical understanding of missions this will propel Christians to act out their missional call The challenge as to how to be truly missional requires those people considered to be disciples to engage their communities in their everyday lives To capture the full essence of missions this book introduces a process called strategic evangelism This process serves to raise awareness by helping to clarify the nature of the structures and practices of the church relating to its missional focus to develop a better awareness of local missions and to introduce a process that will assist people to live out the mission by engaging their communities

Thy Kingdom Come Jerry Huerta, Marsue Huerta, 2018-12-28 Contemporary history and progressive revelation regarding the Hebraic festivals are the basis for a renovation of the traditional historicist's house and its perception of recapitulation in the book of Revelation which does not disturb the historicist's view that the papacy is the Antichrist Under this new interpretation John's use of recapitulation was modest as compared with the traditionalist's view The new view correlates the prophecies and illustrations of the seven seals with our modern day market driven society the prophetic era of the Laodicean church the

autumnal festivals and the the time of the end in Daniel 8 17 The correspondence of the apocalyptic horsemen of the seven seals with the historical accounts of the Protestant s rise to prominence and their termination of the churches influence in our modern day commerce is incendiary Moreover the correspondence pertaining to autumnal festivals regarding the final judgment and the apocalyptic horsemen of the seven seals is no less provocative As is the case of all such correlations that come to light through progressive revelation they become a blessing for the sons and daughters of God and a reproof for those who walk in darkness Revelation 1 3
