**The Synoptic Gospels** Claude Goldsmid Montefiore,1927 *Exploring the Pedagogy of Learning and Playing Outdoors* Mehmet Mart,Georgia Gessiou,Jane Waters-Davies,2025-02-14 Focusing on the empirical evidence base for pedagogical decisions taken when children are playing and learning outside this groundbreaking book examines the intention and purpose of children s outdoor playful activity and the associated issues of pedagogy Chapters address questions about the role of the adult in children s learning outside in a manner that is inclusive in nature by recognising the varied contexts in which children s playful activity outside takes place Reflecting multiple cultural contexts chapters consider social and physical aspects to ensure value systems are visible and critically considered The book acknowledges the continuum of children s outdoor experience from highly structured activity to free play outside It also examines the existing evidence base about children s outdoor play including a consideration of how adults construct and respond to children s playful activity outside to realise the associated benefits With reference throughout to many international contexts this book reminds us of the shaping force of cultural practices and beliefs about children s playful activity outside and will be of interest to undergraduate and postgraduate audiences studying early childhood education *A Dictionary of Christ and the Gospels* James Hastings,2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels

contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church      **A Dictionary of Christ and the Gospels:**
