

IMPORTANT SAFETY INSTRUCTIONS

When using an electric product, basic precautions should always be followed, including the following:

Read all instructions before using this product.

DANGER

To reduce the risk of electric shock:

Do not reach for a corded product that has fallen into water. Unplug immediately from the power outlet.

Use product only in dry conditions. Do not use while bathing or in a shower.

Do not place or store the product where it can fall or be pulled into a tub or sink. Do not place or drop the product into water or other liquid.

Except when charging, always unplug this product from the power outlet immediately after use.

Remove power cord from power outlet and product before cleaning.

WARNING

To reduce the risk of burns, fire, electric shock, or injury to persons:

This product is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the product by a person responsible for their safety. Children should be supervised to ensure that they do not play with the product. Use this product only for its intended household use as described in this manual. Misuse can lead to fire, electric shock, or injury to persons. Do not use attachments not recommended by Philips North America Ltd. Never operate this product if it has a damaged power cord. If it is not working properly, after it has been dropped or damaged, or after the product or power cord has been damaged, contact your local service call 1-800-243-3050.

Keep the power cord away from heated surfaces.

Never drop or insert any object into any opening.

Do not use the power cord near a power outlet that contains a circuit breaker to prevent damage to the power cord.

Do not use product outdoors or operate where aerosol spray products are being used or where oxygen is being administered.

Always check cut line, cutting unit and guards before using the product. Do not use the product if cutters, cutting unit or guards are damaged, as injury may occur.

Always attach power cord to product first, then to power outlet. To disconnect, let all cords be "off" position. Then remove power cord from power outlet.

Plug power cord directly into power outlet. Do not use an extension cord.

Unplug power cord before plugging in or unplugging the product.

The batteries used in this product may present a fire or chemical burn hazard if misused. Do not disassemble, heat above 100 °C (212 °F) for 10 minutes.

IMPORTANT: The power plug contains a transformer. Do not cut off the power plug to replace it with another plug as this will cause a hazardous condition.

Only use original Philips accessories or consumables. Only use detachable power cord extension.

Charge, use and store the product at a temperature between 40 °F (4.5 °C) and 95 °F (35 °C).

Keep product and batteries away from fire and do not expose them to direct sunlight or high temperatures.

If the product becomes abnormally hot or smelly, changes color or if charging takes longer than usual, stop using and changing the product and contact Philips.

Do not place products and their batteries in microwave ovens, on induction cookers. Do not open, repair, or modify, damage or disassemble the product or battery to prevent batteries from heating up or releasing toxic or hazardous substances. Do not short-circuit, overcharge or reverse-charge batteries.

If batteries are damaged or leaking, avoid contact with the skin or eyes. If this occurs, immediately rinse well with water and seek medical care.

When you handle batteries, make sure that your hands, the product and the batteries are dry.

To avoid accidental short-circuiting of batteries, after removal, do not let battery terminals come into contact with metal objects (e.g. coins, hairpins, rings). Do not screw up batteries in aluminum foil. Tape battery terminals or put batteries in a plastic bag before you discard them.
