never been as important that we seek reconciliation in marriage and families so there can be a more rational approach to the  
real problems the whole world suffers We must disseminate God s truth and extinguish the lies and myths that Satan has  
embedded into the hearts and minds of many people Building on these ideas in *Male and Female Made in God s Image* author  
Frances O Dair offers her perspective on dating marriage and family which she believes reflects the experiences of most  
married couples before the sexual revolution of the 1960s She encourages men and women to reflect on the wise or self  
serving natures of their past dating and mating choices If we can stop the reckless self gratifying use of human sexuality with  
our children our loving direction and understanding of God s truth can set them free from the temptations that have been  
passed down to recent generations We must be ready to admit that sexual freedom is a myth and isn t intended for the well  
being of men women children and the unborn This faith inspired treatise explores the true source of happiness meaning and  
fulfilment that God has planned for everyone within the sacrament of marriage and the family circle      **Peninsular**
