The Handbook of Research on Heritage Management and Preservation is a critical scholarly resource that examines different aspects of heritage management and preservation ranging from theories that underline the field areas of convergence and divergence in the field infrastructure and the policy framework that governs the field and the influence of the changing landscape on practice. National Budget Framework Paper for the Financial Years ... Uganda, 2015. *Public Investment Plan* Uganda, Uganda. Ministry of Finance and Economic Planning, 2015. The Handbook of Social Work and Social Development in Africa Mel Gray, 2016-10-26. All recent books on international social work mention Africa only briefly and few engage with the broader field of development studies. This book focuses solely on the unique African context, engaging with issues relating to social work and development more broadly, thus enabling a deeper examination and more complex and nuanced picture to emerge. Unlike most academic works, this book highlights multiple practitioner voices with authors or co-authors that have recently been or are currently practising social workers. As an edited book, it draws from both academic research as well as lived practice experience, supported by strong theoretical positioning and guidance in introductory chapters drawing on African literature wherever possible. Looking at case studies from Lesotho, Botswana, Kenya, Zimbabwe, Ethiopia, Namibia, Uganda, Nigeria, Kenya, South Africa, Rwanda, Zambia and Tanzania and covering established areas of practice such as child protection, working with older people, working with people with disabilities, mental health and mainstream services targeting women as well as emerging areas of developmental social work practice such as humanitarian assistance in post-conflict situations, work with immigrants and refugees and the training of community-based workers, this book takes a future-oriented perspective that aims to move beyond well-worn critiques to envision constructive and sustainable futures for social work and social development in Africa from a critical perspective. **Public Investment Plan**, 2016.
