Perry, 2022-02-24 This guide helps faculty and student affairs practitioners better serve graduate and professional school students as they navigate what can be an isolating taxing and unfamiliar context Providing actionable strategies as well as a common language for practitioners to advocate for themselves and for their students this book is a quick start manual that defines current issues around graduate and professional student development Drawing together current resources and research around post baccalaureate student outcomes this book explores the diverse student needs of graduate and professional students and provides a clear understanding of their social personal and psychological development and how to support their success Case studies showcase specific examples of practice including a holistic development model for graduate training integrating academic personal professional and career development needs promising practices for engagement a diversity equity and inclusion approach to access and outcomes how graduate schools can be important partners to student affairs professionals and examples of assessment in action This book provides tools resources communication strategies and actionable theory to practice connections for practitioners professionals and faculty at all levels who work to support post baccalaureate student thriving Appendix available for download online at www.routledge.com/9780367639884 on the tab that is entitled Support Material

High quality design on a low budget Dorothea Sommer, Janine Schmidt, Stefan Clevström, 2016-03-07 This publication brings together a range of building projects from National Academic and Public Libraries from different countries of the world showing how these libraries are able to continue to provide high quality library space that is affordable in times of difficult economic circumstances We will hear about the building processes co operation with architects and engineers and how librarians and users have reacted to these new buildings

The Faces of Human Rights Kasey McCall-Smith, Jan Wouters, Felipe Gómez Isa, 2019-05-16 As human rights discourse increasingly focuses on analysing states and the institutions that promote and support the human rights machinery that states have created this volume serves to recall that despite the growing size of the machinery and unwieldy nature of states human rights began with real people It samples a broad range of actors and localities where everyday people fought to ensure that the basic principles of human rights became a reality for all This volume will give a face to the everyday people to whom credit is due for shaping human rights It also responds to the perennial question of how to begin a career in human rights by highlighting that there is no single path into this dynamic field a field built on the back of small initiatives by people across a broad spectrum of career paths

The Elgar Companion to Corporate Social Responsibility and the Sustainable Development Goals Samuel O. Idowu, Liangron Zu, 2023-10-06 This timely Companion analyses how corporate social responsibility CSR can accelerate the achievement of the UN's Sustainable Development Goals Global experts from a wide range of disciplines develop a flexible diverse and reconstructed form of CSR and illustrate how it can help build an
