Mirror Reformed Mirror Series 3:

A Critical Companion to the 'Mirrors for Princes' Literature ,2022-12-05 Why devote a Companion to the mirrors for princes whose very existence is debated These texts offer key insights into political thoughts of the past Their ambiguous problematic status further enhances their interest And although recent research has fundamentally challenged established views of these texts until now there has been no critical introduction to the genre This volume therefore fills this important gap while promoting a global historical perspective of different mirrors for princes traditions from antiquity to humanism via Byzantium Persia Islam and the medieval West This Companion also proposes new avenues of reflection on the anchoring of these texts in their historical realities Contributors are Makram Abbas Denise Aigle Olivier Biaggini Hugo Bizzarri Charles F Briggs Sylv ne Edouard Jean Philippe Genet John R Lenz Louise Marlow Cary J Nederman Corinne Peneau St phane P quignot No lle Laetitia Perret G nter Prinzing Volker Reinhardt Hans Joachim Schmidt Tom Stevenson Karl Ubl and Steven J Williams Intersectional Humanism and Star Trek: Discovery Alyson R. Buckman,2024-09-16 Intersectional Humanism and Star Trek Discovery focuses on the shift from the liberal humanism of the Star Trek franchise to the intersectional humanism of Star Trek Discovery Featuring a great deal of diversity both in front of and behind the camera Discovery affirms the guiding principle of the franchise infinite diversity in infinite combinations Arguing that the focus of Discovery is a connection between a variety of beings and ways of being in the world the author analyzes the relationships among humanoids and machines animals and between each other as well as the representation of trauma in the series The author finds that while there are reversions to some of the more problematic elements of liberal humanism over the course of the series ultimately it forms connections that will progress humanity and deepen our relationship to each other and the world around us The Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1893 *British Museum Catalogue of printed Books* ,1892 **Catalogue of Printed Books** British Museum,1892 **English Mechanic and Mirror of Science and Art** ,1918 *Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record* ,1894 *English Mechanic and Mirror of Science* ,1880 **Chambers' Encyclopædia** ,1891 *The New American Cyclopaedia* ,1871 *The New American Cyclopaedia* Charles Anderson Dana,George Ripley,1873 **The national encyclopædia. Libr. ed** National cyclopaedia,1884 *NATSOPA Journal* ,1922 *Juvenile Crime and Reformation* Arthur MacDonald,1908 Of indorsements sic of work incorporated in bill Practical results Come conclusions of criminology Remedy Morality chief element in education Inmates of institutions should be studied thoroughly The same training for normal and abnormal Palliative measures not sufficient About three fourths are reformed Hopeless cases very few Actual conditions of weakling classes Study of causes first then remedy the study of criminals should begin with the young The child inclined toward evil Younger criminals in court Study of juvenile criminals some physical defects Decay of family life and increase of child crime Young criminals and heredity Young murders by nature Little girl assassins Cases of

girl incendiaries Reform of juvenile criminals Reform of wayward youth Unruly vagabond and criminal children A reformatory
