Last Of The Incas:

The Last Days of the Incas Kim MacQuarrie, 2007-05-29 The epic story of the fall of the Inca Empire to Spanish conquistador Francisco Pizarro in the aftermath of a bloody civil war and the recent discovery of the lost guerrilla capital of the Incas Vilcabamba by three American explorers In 1532 the fifty four year old Spanish conquistador Francisco Pizarro led a force of 167 men including his four brothers to the shores of Peru Unbeknownst to the Spaniards the Inca rulers of Peru had just fought a bloody civil war in which the emperor Atahualpa had defeated his brother Huascar Pizarro and his men soon clashed with Atahualpa and a huge force of Inca warriors at the Battle of Cajamarca Despite being outnumbered by more than two hundred to one the Spaniards prevailed due largely to their horses their steel armor and swords and their tactic of surprise They captured and imprisoned Atahualpa Although the Inca emperor paid an enormous ransom in gold the Spaniards executed him anyway The following year the Spaniards seized the Inca capital of Cuzco completing their conquest of the largest native empire the New World has ever known Peru was now a Spanish colony and the conquistadors were wealthy beyond their wildest dreams But the Incas did not submit willingly A young Inca emperor the brother of Atahualpa soon led a massive rebellion against the Spaniards inflicting heavy casualties and nearly wiping out the conquerors Eventually however Pizarro and his men forced the emperor to abandon the Andes and flee to the Amazon There he established a hidden capital called Vilcabamba only recently rediscovered by a trio of colorful American explorers Although the Incas fought a deadly thirty six year long guerrilla war the Spanish ultimately captured the last Inca emperor and vanquished the native resistance

Last of the Incas Luis Herrera, 2018-02-23 I submerged myself among old books and found this character called Huascar He is a character whose role history books never mention much I came to look for a place and return it to its history I embodied myself in it I intermixed with his people I learned their language I learned their culture Though I'm part of their culture I taught them the progress of my time in the future I helped them to organize the tribe I taught them to make weapons and to be benevolent to take care of one another He fell in love with a woman who mistook him as her old love for his enormous physical resemblance a love that she called Huascar Knowing the events of the future Huascar assembled an army to deal with a group of tyrants commanded by a ruthless man named Francisco Pizarro He had arrived from the other side of the world Huascar had a brother who would be in danger and Huascar decided to save him Not only that he wanted to save the land that saw him be born and thus avoid the scourge of poverty plaguing their land in the future But there was no time to deal with them yet They had not yet arrived at its territory So he decided to give knowledge to the tribe that housed it It was also thanks to the help of his two old friends who shared adventures with him Sorry I meant them three as his mascot called Nio would also share with their adventures The daily life with his tribe does make him love his people He felt happy being with them so

much so that he had no intentions of returning to his life in the future Luck was not on their side The brother who was trying to defend from the invaders upon learning that he was back changed plans and tried to ask for help from the invaders The man called Huascar did not have much time and hurried to travel through lands dominated by his older brother Atahualpa Not only that he also went through the lands overrun by invaders of many sites in Europe Huascar didnt have much time and he hurried to save his brother He wanted to save the life of Atahualpa He wanted to save the life of the last of the Inca

planned to somehow make their way to New York City find a job as a newsboy and then go to Africa 4 On July 24 1911 Bingham and his two companions reached a small hut on a ridgetop 2 500 feet above the valley floor The setting was magnificent Bingham had a 360 degree view of the adjacent jungle covered mountain peaks and clouds Atahualpa, the Last of the Incas Hugh McNab (pseud.),1923 **The Last of the Incas** Gustave Aimard,1862 The Incas' Sky Émile Biémont,2024-07-12 This book introduces readers to the astonishing civilisation of the Incas Its novelty lies in its general but highly informative synthesis of their history and astronomy through the accounts of contemporary chronicles and recent archaeological findings Richly illustrated with the author s own photographs it will attract the attention of seasoned travellers interested in ancient civilisations and keen to discover what people were capable of achieving so long ago but also any reader interested in the history and prehistory of South American peoples including students or university researchers wanting to know more about the pre Columbian civilizations of Peru The Inca civilisation was in fact the culmination of cultural contributions from a dozen or so complex pre Columbian civilizations such as those of Chav n Nazca Wari or Tiwanaku Intensely spiritual the Inca people attributed metaphysical powers to all manner of objects and places they considered sacred but at the same time the numerous alignments in their buildings show that they result from careful observations of the Sun the Moon and the stars at different times of the year Indeed the Incas were an essentially agrarian people so time measurement and calendar devices were essential for the purely pragmatic problem of planning agricultural tasks during the tropical year The book sets out to describe the Incas in their historical and geographical context avoiding specialization or excessive technicality but retaining a certain scientific rigor and including a detailed consideration of their interest in the sky and astronomy **The Last of the Incas.
