MIRACLE MATH

Here is an amazing and simple method of calculating that can help anyone save time and money, and handle business more profitably using the same arithmetic we all learned in school. Add, subtract, multiply and divide almost as fast as you can read, and be accurate every time! Sound impossible? You will get dramatic proof in the very first chapter — a trick you can learn in sixty seconds will enable you to add faster than an adding machine and with no mistakes.

These mathematical miracles require no slide-rule juggling, and no mysterious new terminology. They translate math principles into clear, easy-to-follow methods you can put to work for you — starting now!

How Chinese Teach Mathematics and Improve Teaching Yeping Li, Rongjin Huang, 2013 How Chinese Teach Mathematics and Improve Teaching builds upon existing studies to examine mathematics classroom instruction in China It combines contributions from Chinese scholars with commentary from key Western scholars to offer a truly systematic examination of some important and distinctive features of mathematics classroom instruction Viewing classroom instruction as part of teachers instructional practices this book goes beyond teachers in classroom instructional practice by also examining Chinese teachers approaches and practices in developing and improving teaching Through this unique approach How Chinese Teach Mathematics and Improve Teaching expands and unpacks the otherwise fragmented knowledge about Chinese practices in developing and carrying out mathematics classroom instruction

One Simple Act Debbie Macomber, 2009-11-03 Beloved 1 New York

Times bestselling author Debbie Macomber shares inspirational and empowering true stories of what happens when we commit intentional acts of generosity Master storyteller Debbie Macomber knows a secret In a world that seems too often reticent and begrudging Debbie has learned firsthand that living in a spirit of generosity yields unforeseen miracles Lives can be changed in ways we never envisioned Just as a young boy volunteered his fishes and loaves to Jesus in Galilee and saw his meager gift multiplied many times over to feed five thousand we can live open handed and stand amazed at what God accomplishes through simple acts of generosity This moving blend of true stories and motivating messages delights and

surprises us as we see for ourselves that giving the gifts of time encouragement hope laughter prayer hospitality service and forgiveness often have a life changing impact not only on the recipient of such gifts but on the giver as well All it takes is one simple act Macomber through her masterful power of storytelling calls us to live with an open heart offering who we are and what we have to God to use in the lives of others When we do so with an eager sense of expectancy lives including our own are changed in ways we couldn't have imagined
