But when he suggests they marry to quiet the resulting scandal she discovers the consequences of her actions are far reaching for him too. Miss Merton's Last Hope. Never to wed. Melanie Merton had a knack for repelling suitors that is until neighbor Walter George got close enough to learn her shocking secret. Although Melanie assures him there's no hope, Walter can't convince himself to give up on the promise of love.

Miss Merton's Last Hope Heather Boyd, 2015-10-13

Over the years, Melanie Merton has used every trick and ruse to repel overeager gentlemen callers without ever revealing the real reason she won't say yes to an offer of marriage. When neighbor Walter George jumps to her defense against slurs cast by suitor number twelve, he also pries into her past, uncovering the circumstances around a tragic loss in her childhood and her aversion to being touched by anyone. But even protective Walter must be kept at a distance for his own good because, despite a growing attraction between them, Melanie must deny him too. Unlike other men his age in Brighton, Walter George hadn't considered Melanie Merton for a wife because he was convinced he'd never have a chance to impress his haughty neighbor. But that was before he understood her better; before he uncovered why she kept friends and suitors alike at bay. The right husband could restore the woman he sees into some semblance of the fun-loving child of his memory, but would Walter stand a chance or become just another unlucky suitor?

Miss Merton's Last Hope is the fourth and final book in the Miss Mayhem series. Length: Novella, approx 41,000 words. Sensuality Level: This is a steamy romance.
