Miss Mai A Love Story:

Miss Mai Lewis MacLeod, 2014-11-17 *MISS MAI* by Lewis MacLeod *Miss Mai* is a romantic memoir set in the final years of the Vietnam War The narrator's progress as a naive draftee through the rigors of military training as an intelligence analyst inexorably lead him to the exotic streets of wartime Saigon He meets Tuoi Mai under accidental circumstances and his life is altered forever after **The Doom Pussy** Elaine Shepard, 1967 *Beyond the Flesh* Jenifer Presto, 2009-01-15

Though the Russian Symbolist movement was dominated by a concern with transcending sex many of the writers associated with the movement exhibited an intense preoccupation with matters of the flesh Drawing on poetry plays short stories essays memoirs and letters as well as feminist and psychoanalytic theory *Beyond the Flesh* documents the often unexpected form that this obsession with gender and the body took in the life and art of two of the most important Russian Symbolists

Understanding Canton Virgil Ho, 2005-12-22 By studying six different aspects of culture in Canton in the period between the two World Wars this book helps broaden our limited knowledge of the social and cultural lives of the common people in this largest city of South China The author examines how the Cantonese in this period indulged in their imagined cultural superiority as modern citizens ushering in a cult of the modern city During this period Cantonese opera was also emerging and evolving into a widely accepted form of commercialised mass entertainment The process of social and cultural change and its impact on the development of this city and its people are revealed throughout the book This book also aims to redress some major misconceptions of the socio cultural realities as seen in official rhetoric or academic discourse on the matters of patriotism and anti foreignism gambling prostitution and opium consumption Contemporary non official and folk materials reveal that the common people were much more pro Western than xenophobic in attitude and the alleged social and political calamities of gambling opium consumption and prostitution were more rhetorical than real *Understanding Canton* provides us with not only a fuller and more comprehensive picture of city life and popular mentalities but also an important clue to understand how and why the social history of this city was distorted and constructed in ways that suited the political ideology and nation building agenda of the ruling regimes *The Play-pictorial* , 1906 **Vietnamese** Nguyễn Đình-Hoà, 1997-09-02

An essential descriptive introduction to a South East Asian language with over seventy million speakers this book provides a conservative treatment of the phonology lexicon and syntax of Vietnamese with comments on semantics and history with particular reference to writing systems loan words and syntactic structures All example texts are transcribed and glossed Prof Nguyễn Đình-Hoà has based this grammar on his vast teaching experience and gives basic insights into Vietnamese without veneer *From Eileen Chang to Ang Lee* Peng Hsiao-yen, Whitney Crothers Dilley, 2014-01-10 In 2007 Ang Lee made an espionage thriller based on the short story *Lust Caution* by Eileen Chang China's most famous female author of the twentieth century The release of the film became a trigger for heated debates on issues of national identity and political loyalty and brought unexpectedly harsh criticism from China where Ang Lee was labelled a traitor in scathing internet critiques whilst

the film's leading actress Tang Wei was banned from appearing on screen for two years. This book analyses Ang Lee's art of film adaptation through the lens of modern literary and film theory as well as featuring detailed readings and analyses of different dialogues and scenes, directorial and authorial decisions and intentions while at the same time confronting the intense political debates resulting from the film's subject matter. The theories of Freud, Lacan, Deleuze, Bataille and others are used to identify and clarify issues raised by the film related to gender, sexuality, eroticism, power, manipulation and betrayal. The themes of lust and caution are dealt with in conjunction with the controversial issues of contemporary political consciousness concerning patriotism and the Sino-Japanese War, complicated by divided historical experiences and cross-Taiwan Strait relationships. The contributors to this volume cover translation and adaptation, loyalty and betrayal, collaboration and manipulation, playing roles and performativity, whilst at the same time intertwining these with issues of national identity, political loyalty, collective memory and gender. As such, the book will appeal to students and scholars of Chinese and Asian cinema and literature as well as those interested in modern Chinese history and cultural studies.
