# Refrigerator Warranty

## FULL ONE-YEAR WARRANTY

Kelvinator Appliance Company, a Division of the White Consolidated Industries, Inc., promises to the consumer to repair or, at Kelvinator's option, to replace any part of this Refrigerator-Freezer which proves to be defective in workmanship or material under normal personal, family or household use, in the U.S.A., except in the state of Alaska, for a period of one year from the date of original purchase. During this one year, Kelvinator will provide, free of charge, all labor and parts necessary to correct such defects.

## LIMITED FOUR-YEAR EXTENDED WARRANTY SEALED SYSTEM

If any part of the SEALED REFRIGERATION SYSTEM (compressor, condenser, evaporator or connecting refrigeration tubing) should fail because of defective workmanship or material, within the second through fifth year from the date of original purchase, Kelvinator will, at its option, either repair or replace such part free of charge and provide the labor to install such part. Diagnosis cost and any removal, transportation and reinstallation costs which are required because of service will be the responsibility of the consumer.

**LIMITED WARRANTY**—applicable to the state of Alaska. In the state of Alaska, service will be provided at our nearest WCI Consumer Parts and Service or Kelvinator authorized service agency. The cost of transportation of the product to the shop or travel cost of the technician to the consumer's home will be the responsibility of the consumer-owner. All other provisions of this limited warranty are the same as those stated in the above warranties.

## EXCLUSIONS

Except as provided in the one-year food loss protection plan below, in no event shall Kelvinator be liable for incidental or consequential damages, for damages resulting from the failure to install and operate the refrigerator in accordance with Kelvinator's written instructions furnished with the appliance, from external causes such as abuse, misuse, inadequate power supply, or acts of God, or from service performed by persons other than Kelvinator authorized service agencies or by the use of parts obtained from persons other than such agencies, or for the cost of service calls which do not involve defective workmanship or materials covered by this warranty. Accordingly, diagnosis and repair costs for a service call which does not involve defective workmanship or materials covered by this warranty will be the responsibility of the consumer. ## THE ONE-YEAR FOOD LOSS PROTECTION PLAN

### Applicable to Side-By-Side Refrigerator-Freezers only

- Result from failure during the first year from the date of original purchase of any part of this refrigerator-freezer which proves to be defective in workmanship or material;
- Are reported within 24 hours and the food and the part that failed are available to be shown to any dealer from whom the appliance was purchased or the appropriate Kelvinator Authorized Service Agency;
- Are not occasioned by an insufficient supply of power to the Refrigerator-Freezer; and
- Occur even though the consumer exercises reasonable care and diligence to save food per suggestions furnished with the appliance.

## WARRANTY SERVICE

These warranties are given by Kelvinator Appliance Company P.O. Box 7183, Dublin Ohio 43017. Service under these warranties must be obtained by following these steps, in order:

Based on new evidence that challenges existing theories of urban inequality Crankshaw argues that the changing pattern of  
earnings and occupational inequality in Johannesburg is better described by the professionalism of employment alongside  
high levels of chronic unemployment Central to this examination is that the social polarisation hypothesis which is accepted  
by many is simply wrong in the case of Johannesburg Ultimately Crankshaw posits that the post Fordist post apartheid period  
is characterised by a completely new division of labour that has caused new forms of racial inequality That racial inequality  
in the post apartheid period is not the result of the persistence of apartheid era causes but is the result of new causes that  
have interacted with the historical effects of apartheid to produce new patterns of racial inequality      Electrical World ,1925
