

Klasa: V	Data 03-04.11. 2014	
Numri i temës:	Unit 3 Trick or Treat!	
Njësia mësimore:	3. Grammar-Present Continuous (affirmative, negative, interrogative)-presentation. TIK	
Qëllimet	To introduce Present continuous To check students understanding of Present continuous Use properly the form, provide the spelling rules and make sentences	
Materials	Flash cards, computers, edmodo application	
Forms	Frontal, individual, in pairs	
Methods	TPR, illustrative, demonstrative, interactive, cooperative learning, quiz taking	
Expectations	Students to be able to apply the verbs in Present Continuous (affirmative,) and differentiate the spelling changes	
Aktivitetet e arsimitarit		
1. I show a poster with people doing different activities and ask students to identify some people and tell what they are doing at the moment. - I ask students to make sentences describing different activities that their friends are doing at the moment. 2. I ask students to look at the grammar charts in their books to see if they notice the spelling changes after adding -ing 3. I teach them a song . the tune of "Are you sleeping?" - I tell them the personal pronoun and the punctuation mark (-) (+) (?) in random and they sing it following the rules We are reading. We are reading Read, read, read, Read, read, read We are reading. We are reading Read, read, read, Read, read, read or negative She isn't running, she isn't running run, run run, run, run, run 4. If there is time I tell students to turn on the computers, get into their edmodo accounts and do the quiz prepared by me earlier. After that they submit it for checking. If there isn't time they can do this at home. Optional. Give each student worksheets to fill in the verbs in present continuous if you don't have internet at the moment or you encounter computer problems (always keep worksheets handy)		
Aktivitetet e nxënësit		
1. individual students make sentences about their peers first about the poster then about their friends Gjini is writing. Jehona is reading. Merita is looking at the pictures. Miming game: in pairs One student does the action the other one guesses by making a sentence. 3. Students follow the song using the verbs and pronouns of their choice. Optional: - Group work – A dice game. 4 groups. Each group has a plastic bowl with verbs and two dices one with personal pronouns the other with - + ? symbols. Each students picks a verb, shows to his group friends and throws the dices and makes a sentence using the correct form of present continuous with the personal pronoun and the sentence form that was shown on dices. All the students of the group write the sentence in their notebooks. 4. Students work on the quiz and submit it.		
Pregatitje për orën e ardhshme mësimore	For homework: Students write sentences about their present activities or describe a situation at the table at home . Or work on the quiz in edmodo .	
Metoda e notimit të rezultateve të arritura	Substitution exercise – oral feedback- dice game Individual students throw two dices one with personal pronouns the other with - + ? symbols , and make a sentence using the correct form of present continuous in all three forms.	
Refleksion i orës së realizuar mësimore	The lesson was fun, interesting and engaging for students. They need some more drilling of the present continuous tense and spelling. Most of the students were very good at the activities with exception of some who were not eager to participate but everyone loved the song and the dice game. I was amazed to see how they work. The quiz was left for homework.	

Lesson Plan Ne Gjuhen Angleze

Lesson Plan Ne Gjuhen Angleze Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Lesson Plan Ne Gjuhen Angleze free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Lesson Plan Ne Gjuhen Angleze free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Lesson Plan Ne Gjuhen Angleze free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally

available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Lesson Plan Ne Gjuhen Angleze. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Lesson Plan Ne Gjuhen Angleze any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Lesson Plan Ne Gjuhen Angleze Books

What is a Lesson Plan Ne Gjuhen Angleze PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Lesson Plan Ne Gjuhen Angleze PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Lesson Plan Ne Gjuhen Angleze PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Lesson Plan Ne Gjuhen Angleze PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Lesson Plan Ne Gjuhen Angleze PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering

information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
