

A decorative rectangular pillow with a black center panel and a multi-layered border of white, black, and gold. The text "let's misbehave" is printed in a white, lowercase, monospaced font on the black panel. The pillow is resting on a white ribbed chair. In the background, there is a dark wooden wall, a green vine plant on the left, and warm bokeh lights at the top.

**Cole Porter: Selected Lyrics** Cole Porter, 2024-11-12 Cole Porter possessed to a singular degree the art of expressing depth through apparent frivolity The effervescent wit and technical bravura of his songs are matched by their unguarded revelations of feeling In the words of editor Robert Kimball Porter wrote tellingly of the pain and evanescence of emotional relationships He gently mocked propriety and said that few things were simple or lasting or free from ambiguity Of the masters of twentieth century American songwriting Porter was one of the few who wrote both music and lyrics and even in the absence of his melodies his words distill an unmistakable mixture of poignancy and wit that marks him as a genius of light verse Selected from over eight hundred songs here are Porter s finest flights of invention lyrics that are an indelible part of 20th century culture Let s Do It Love for Sale I Get a Kick Out of You Anything Goes In the Still of the Night I Concentrate on You and dozens more About the American Poets Project Elegantly designed in compact editions printed on acid free paper and textually authoritative the American Poets Project makes available the full range of the American poetic accomplishment selected and introduced by today s most discerning poets and critics

**Bibliographic Guide to Music** New York Public Library. Music Division, 1999 Cadence, 1991 Dancing on Ice Jeremy Scott, 2008 In 1930 charismatic Gino Watkins led a group of fourteen men including the author s father to the Arctic It was the dawn of commercial air travel and their goal was to discover an air route between Europe and America The explorers were courageous and physically strong but they were unprepared for the hostile conditions they would face over the next year Learning from their Inuit guides they hunted for seals and passed the long dark nights of winter as best they

could But for one man August Courtauld alone on the ice cap and cut off from his fellow explorers for six long months it would be an unbelievably harrowing experience Jeremy Scott paints an enthralling portrait of two lost worlds the Inuit hunters of the polar regions and the Brideshead generation of young Englishmen His action packed and lyrical tale is one of triumph and tragedy where innocence and optimism come face to face with devastating extremes of mental and physical endurance The storms were a bombardment an assault on the frail shelter protecting them a sustained battering on the nerves and mind They were enduring it together but what must it be like to suffer it alone The Eskimos believed white devils whirled and shrieked within the blizzards but what vile monsters might solitude give birth to in one man alone Unadmitted and undiscussed at the back of all their minds crouched the horror that Courtauld might go mad     *The Cole Porter Story*
