Unbound Neal Lozano, John Loren Sandford, 2010-08 As a teacher on deliverance Neal Lozano knows that many believers struggle with the same sin areas time after time Yet victory can be as simple as tapping into the potent power of the gospel By focusing on Jesus and his work rather than on the intimidating aspects of evil spirits readers can reset their mindset about their spiritual struggles In *Unbound* Lozano shows readers how to do just this He also shows them how to find and close any doors they may have opened to evil influence and consequently Satan's underhanded strategies Balanced and full of hope *Unbound* is a practical thorough and easy to follow guide to deliverance and freedom It also includes practical instruction on praying for others to be set free

Glorious Freedom Percy Burns, 2020-01-21 Freedom from demonic oppression is surprisingly simple If you struggle with addiction anger fear or other negative cycles it could be a result of demonic influence in your life Even Christians can be oppressed by darkness demons who specialize in stealthy whispers and subtle control These evil influences go undetected

Closing the Door to Demons Joanna Adams, 2020-02-18 Discover how to close every door to darkness in your life Can a Christian have a demon Do believers need ongoing deliverance If so how do you receive it Joanna Adams offers biblical insight on common questions believers have about deliverance and demonic oppression When you become a Christian your spirit is saved but

Rain of Fire Frequency Revelator, 2019-11-16 It is of paramount significance to point out the truth that in many Charismatic circles across the globe the doctrine of deliverance is one of the most controversial and confusing subjects that Christians have ever encountered This is a typical scenario especially in today's modern era whereby deliverance ministers and ministries are mushrooming across the globe with many assuming titles as Specialists of Deliverance The most overworked Christian vocabulary in the Body of Christ across the globe today is the word Deliverance as it is trending and shaping every sphere of spiritual endeavour for many churches It appears that the idea of deliverance has created a lot of hype in which some believers have branded their churches as deliverance ministries while others have opted to advertising their ministries on television and other forms of media inviting the masses to come to their special deliverance classes As a consequence many at times venture into the deliverance ministry with barely any knowledge of what they are doing culminating in unsuccessful deliverances disappointments and frustrations as people walk away still in bondage because the deliverance minister did not understand the root problem of the person in need of deliverance Extremes of both doctrine and practices in deliverance are highly attributable to a lack of revelation knowledge of the Word of God on the subject as many are completely lost at sea as to how to effectively conduct deliverance

This book is therefore a means to dispel the myths and misconceptions centred on the doctrine of deliverance and to point out errors in current practices among the so called deliverance ministers so that you have a deeper revelation of how to conduct Bible Based deliverance It suffices to mention that contrary to current practice the ministry of deliverance was never intended to be a separate entity in the Body of Christ by itself Nor was it initially designed for those who have somehow attained a stratospheric pinnacle of enlightenment in matters of the spirit Instead it was designed to flow hand in hand with all the other aspects of the teaching prophetic and healing ministry Its isolation as a super special ministry has led to imbalance and sometimes demon consciousness resulting in people opening themselves up to more demonic attacks as opposed to freedom Through this book we seek to restore the consciousness of God and of the authority that God has given us as believers in conducting deliverance This topical compendium is a buffet of divine truths served up with a dish of provocative revelations of God s word which are seasoned with barbs of prophetic spices and delicacies of revelatory flow on spiritual warfare The title of the book The Rain Of Fire is derived from the character of manifestation of God as a Consuming Fire that burns melts and infiltrates the demonic realm with flashes of lightning coupled with a pounding booming and rumbling sound of thunder exploding in the atmosphere and shaking the demonic kingdom In John the Revelator s apocalyptic vision there are three unusual sounds coupled with fire proceeding out of the throne of God It is for this reason that this book has been titled The Rain Of Fire as it befits the manner in which we deal severely with demonic spirits Against this backdrop this treatise will furnish you with insight tools and weapons to wage an effective tactical and strategic warfare against forces of darkness as you pursue your God designed and God intended destiny This book is therefore a deliverance weapon in your hand that will equip and empower you with revelation knowledge on the art of spiritual warfare so that you are able to decisively deal with the whims and vagaries of the enemy and set the masses free from the debilitating life circumstances of poverty sickness and limitation in progress that have imprisoned God s people for ages

[Deliverance and Spiritual Warfare Manual](#) John Eckhardt,2014-08-05 Demons want to take your peace joy health and prosperity Fight back with this easy to use guide God has established the victory for you over the powers of the enemy Deliverance will give you rest and spiritual warfare will give you the training strategies and endurance so that you can live abundantly under the covenant blessings of God Bringing much needed light to expose the works of darkness the Deliverance and Spiritual Warfare Manual provides essential information on spiritual warfare basics and strategies including The names of demons and strongholds and specific prayers against them The ministry of deliverance and prayers for self deliverance Fasting prayer and intercession for others and much more Don t let fear keep you or those you love from peace and freedom No matter what issue you are facing this powerful guide gives you the tools you need to confront the enemy head on

The Finger of God Torace Solomon,2018-07-31 The Finger of God is a pragmatic guide for deliverance ministry This manual provides vital information about deliverance giving practical applications with step by step instructions This book is designed to bring the

ministry of deliverance out of the shadows and into the forefront of Christian ministry by dispelling myths and equipping believers with the truth about their authority If you are eager to walk in purpose and breakthrough every limitation of hell this book is for you **Spiritual Warfare in the 21st Century** Judith Lawson,2011-03 The Jesus Movement revival of the 1960s and 1970s saw deliverance ministries develop where evil spirits were discerned and cast out of suffering individuals However some in the Body of Christ questioned its validity believing the gifts had ceased with the death of the Apostle John and deliverance ministries faded into oblivion However because signs of the closing days of earths history are clear and spiritual warfare is intensifying learning its strategies is crucial for Christian growth Thankfully there are also signs of re emergence of the ministry of deliverance today in the 21st Century This book outlines its principles
