Nollen, 2008-07-10 The SAGE Encyclopedia of Intercultural Competence Janet M. Bennett, 2015-03-23 In 1980 SAGE published Geert Hofstede's *Culture's Consequences* It opens with a quote from Blaise Pascal There are truths on this side of the Pyrenees that are falsehoods on the other The book became a classic one of the most cited sources in the Social Science Citation Index and subsequently appeared in a second edition in 2001 This new SAGE Encyclopedia of Intercultural Competence picks up on themes explored in that book Cultural competence refers to the set of attitudes practices and policies that enables a person or agency to work well with people from differing cultural groups Other related terms include cultural sensitivity transcultural skills diversity competence and multicultural expertise What defines a culture What barriers might block successful communication between individuals or agencies of differing cultures How can those barriers be understood and navigated to enhance intercultural communication and understanding These questions and more are explained within the pages of this new reference work Key Features 300 to 350 entries organized in A to Z fashion in two volumes Signed entries that conclude with Cross References and Suggestions for Further Readings Thematic Reader's Guide in the front matter grouping related entries by broad topic

areas Chronology that provides a historical perspective of the development of cultural competence as a discrete field of study Resources appendix and a comprehensive Index The SAGE Encyclopedia of Intercultural Competence is an authoritative and rigorous source on intercultural competence and related issues making it a must have reference for all academic libraries

The Dictionary of Scientific Terms and Technological Expressions ... Fifth Edition W. M. BUCHANAN, 1876 The Publishers Weekly, 1929 Maps, Metaphors, and Mirrors Carol K. Ingall, 1997-07-25 REVIEW Students of educational theory and practice will enjoy and learn from this brief but enlightening and readable book Recommended for upper division undergraduates graduate students faculty and practitioners September 98 CHOICE The four teachers in this study teach diverse subjects in a variety of settings Although definitions of moral education are shaped by their backgrounds their institutions their perceptions of their students needs and their disciplines all of the teachers consider moral education to be central to their work For all four the moral prototype serves as an appeal to the students imagination an opportunity to build connectedness and most important an invitation to young people to transcend themselves **Pursuing the National Interest** Karl K. Schonberg, 2003-10-30 The history of twentieth century American foreign policy presents an indictment of classical and structural realism and systemic theories of international relations more generally Examining five crucial movements of transition in American foreign policy making before and after each of the world wars and the end of the Cold War Shonberg argues that the national interest resides mostly in the eye of the beholder and that the idiosyncratic perceptions beliefs and values of individuals are of vital importance in the policy process Thus America s recent experiences in global politics interpreted through the lens of national ideology has defined and created the ultimate shape of a new foreign policy **The Spectator**, 1912 A weekly review of politics literature theology and art **The United States Catalog** Mary Burnham, Carol Hurd, 1928 **Quarterly Bulletin of the Providence Public Library** Providence Public Library (R.I.), 1903
