*Saturday Review of Literature* ,1925      **New York Times Saturday Book Review Supplement** ,1941      Kine weekly ,1953      *Misadventures and Fishing Tales* Kelly Bruning,2009-10 A humorous collection of true short stories written by a female Boston transplant now living in the northern Michigan great outdoors This book promises a lot of laughs about outdoor misadventures Interwoven in the tales are humor mischief and a few life lessons Join the scene as the author describes the crisp morning air and the serenity of surrounding woodlands on an ice fishing outing Picture Michigan s mighty Mackinac Bridge as its twin white towers stand tall welcoming visitors to the Upper Peninsula Put yourself among the crowd of the local pub waiting to view the braggart s trophy fish which unfortunately was eaten by the neighborhood wild cats The author intertwines misadventure in the great outdoors with an appreciation for nature putting readers in another scene while also leaving them with a laugh or two along the way The author will donate 1 00 of her proceeds to fight Multiple Sclerosis By purchasing this book you have joined the author in fighting this disease      *North with Doc* Greg Knowles,1993      **The Fishing Lure** Greer Alexis Bacon,2015-09-02 Deep in the Finger Lakes Region of New York Lives a boy who shares the love of fishing with his grandfather Who receives a gift of a fishing lure for his birthday His enjoyment of his new gift is cut short With a twist of faith his grandfather s love for fishing is renewed in one single moment that changes everything Reminding us all of the American dream through a relationship with a boy and his grandfather Official OnlineBookClub org Review of The Fishing Lure by Greer Alexis Bacon 4 out of 4 stars Family is one of the most important things in life particularly the child parent and child grandparent relationship and it feels like one being lost over time When I was a child we watched things like Full House where no one was perfect but family stuck together and things always worked out These days however it feels like kids shows represent parents as just silly or unknowledgeable and celebrate the child that mocks them or flat out disobeys them Particularly when a child is at the age to be read to the importance of family should be a key point and Greer Alexis Bacon s The Fishing Lure does just that across four generations celebrating what s great about family spending time together and passing along traditions The Fishing Lure begins with a boy known only as Stars and Stripes for being born on Independence Day sharing his love of fishing with his grandfather a WWII vet Gramps you see always loved fishing and took his son when he raised him and has continued the tradition with his grandson On Stars and Stripes s 7th birthday his parents get him a new fishing pole and his Gramps gives him a hand painted fishing lure with the thirteen stripes and 50 stars of the flag upon it along with the year 1776 The next morning Stars and Stripes takes his stars and stripes fishing lure and new pole out for a spin Unfortunately a snapping turtle gets a hold of the line and the lure is seemingly lost forever Time goes on Stars and Stripes opens a fishing shop right there on the Finger Lakes where he always fished and he even has a son When his Gramps passes he follows his request to scatter the ashes over the pond the two of them visited and in doing so his son finds the special fishing lure he lost 22 years ago The best comparison I can find for The Fishing Lure is one of those Pixar shorts

The book is short portrays its points expertly it's touching and sad even for an adult and ends on one of those fighting back a tear while I smile moments that every single one of them seems to give me The illustrations in the book are wonderful as well they colors pop and even sparkle in places all done with water color paint and feel like a cross between anime and traditional cartoons There are a total of 11 in the book's 20ish pages not including 3 more in a tiny section in the back where the illustrator T D Smartgroupvn briefly explains how the illustrations are done Official Book review onlinebookclub.com

The Fishing Lure is a wonderful short children's book that really captures the love of family without having to even say it's there and it's a must have for parents to share with their kids therefore earning itself 4 out of 4 stars The version I reviewed from Amazon on my Kindle app allowed me to double click each illustration making it easy to show to kids as you read it to them or as they read it themselves even The fact that the book is dedicated to the author's own grandfather also a WWII vet who shared his love of fishing with his grandchildren makes it even more lovable I found no grammatical errors or oddities and honestly even reading through a second time with a fine tooth comb I can't think of anything to make it better **Max E. James** J. Ryan Hersey,2017-07-25 Max and Cody can't wait to go fishing with Dad So when their new fishing poles are delivered they dig up some bait and head for the local fishing hole But this isn't just any fishing trip Today the boys are determined to catch Toothy Brutus a creature so huge so fierce that nobody has ever reeled him in Will Max and Cody hook the beast Or will his legend live on **The One that Got Away** Ginger Quill,1991 **The Midnight Fish and Other Stories** Scott Bowen,2001-03-01 **Two Old Men and a Fish** Wayne Lofton,2017-12-15 Seventy two year old Johnathon Pane is battling what may be the greatest fish he's ever hooked His endurance is nearly at its end when his good friend Cork Lofton shows up Together the two old friends finally land the monster salmon unknowingly launching themselves into a tale that will soon be the talk of the small town of Hebo Oregon When a young Department of Fish and Game employee named Beth encounters a massive salmon carcass during a dreary downpour she fails to record it properly much to the disdain of her superiors and soon enough the residents of Hebo Facing humiliation and defeat in the first days of her young career Beth soon crosses paths with two old fishermen who have become a local sensation Of course any fishing tale is nothing without the fish and at the center of this story is a salmon whose biological destiny leads it to its fateful encounter with a hook that will have a whole town buzzing Two Old Men and a Fish is for fishing enthusiasts and anyone with a love for the outdoors It's a story of friendship fate and the tantalizing wonders of wildlife **Catfish Jack** Johnny Michael Giercyk,2018-03-21 In the small town of Catfish lived a boy named Timmy and his Great Uncle Joe Everyone in town knew Great Uncle Joe but no one knew his story that is until he shared it with Timmy As the story goes it was fishing season in the small sleepy town and it would be one Timmy would never forget Timmy with Great Uncle Joe's fishing pole and tackle box set out on an adventure An adventure to clear his uncle's name and win a 1 000 00 prize **Carp Tales** Chris Tarrant,Jim Gibbinson,2001-10-01 **Fish Tales and Other Lies** Stephen Tate,2004 Steve Tate has been soaking worms since he was old enough to stretch the truth His
