Journey Into Chastity Book One The Journey Begins:

Journey Into Chastity, Book One Stanley Jeffries, 2011-03-02 John is a college student currently separated from his fiancée Laura while she begins a hot sexual affair with her roommate Christine. Though John is anxious to have Laura back with Christine now a permanent fixture in Laura's life, the terms of the relationship are about to radically change. Either John agrees to be submissive in a ménage à trois with two dominant females or he's out. Eager to stay in Laura's good graces, John agrees to anything including public humiliation, panty wearing, and Laura's unique punishment for unauthorized masturbation: a locking chastity device. She tricks him into putting it on, not telling him that Christine has the keys. Later, he learns from Christine that a key has been hidden in his weekend bag all along. But now the demanding Christine wants him to consciously choose to remain in chastity. John can't help wonder who's running the relationship: Laura or Christine. As the two femmes take charge, John is trained to serve their every whim, to call them mistress, and play their humiliating sexual games. When he fails to please this daunting duo, he suffers a variety of painful punishments: from bondage to whipping to being sodomized with a strap-on. Despite the rough demands of his new life, John finds his surrendering role strangely pleasing and highly erotic. All misgivings aside, he's still in love with Laura and willing to slavishly serve both women in order to have her. But how long can this strange ménage à trois survive? Will John ever have Laura to himself again? Is Christine really falling in love with him? Although John's journey into chastity has just begun, it's certain to take some curious twists as these two lovely in-charge females turn this wary college boy into their groveling slave.

History of the Triumphs of Our Holy Faith Amongst the Most Barbarous and Fierce Peoples of the New World Andrés Bello de Ribas, 1999 Considered by historian Herbert E. Bolton to be one of the greatest books ever written in the West, Andrés Bello de Ribas's history of the Jesuit missions provides unusual insight into Spanish and Indian relations during the colonial period in Northern New Spain. First published in Madrid in 1645, it traces the history of the missions from 1591 to 1643 and includes letters from Jesuit annual reports and other correspondence, much of which has never been found or cataloged in historical archives. Daniel T. Reff, Maureen Ahern, and Richard K. Danford have now prepared the first complete scholarly and fully annotated edition of this important work in English. Bello de Ribas was the first permanent missionary to the Ahome, Zuaque, and Yaqui Indians. After fifteen years on the mission frontier, he was recalled to Mexico City, where he held various posts, including Jesuit Provincial. Addressed to novitiates ignorant of the challenges they would face in the field, his *Historia* was a virtual textbook on missionary work in the New World. Also written to encourage ongoing support of the Jesuit missions, it reflected the author's deep grasp of what rhetorically soothed and moved Church and Crown officials. Perhaps of greatest interest to the modern reader are Bello de Ribas's often detailed comments on

indigenous beliefs and practices These firsthand observations provide a rich resource of ethnographic and historical data concerning everything from native subsistence settlement patterns and myths to the dynamics of Jesuit Indian relations The many cases of conversion that P rez de Ribas describes are especially rich in ethnographic data clarifying the values and beliefs from which the Indians were rescued History of the Triumphs is a primary document of great importance made more valuable here by an exceptionally fluid translation and painstaking annotations It will be a standard reference for all engaged in research on New Spain and a captivating read for anyone interested in this chapter of American history Travel, Time, and Space in the Middle Ages and Early Modern Time Albrecht Classen, 2018-10-22 Research on medieval and early modern travel literature has made great progress which now allows us to take the next step and to analyze the correlations between the individual and space throughout time which contributed essentially to identity formation in many different settings The contributors to this volume engage with a variety of pre modern texts images and other documents related to travel and the individual s self orientation in foreign lands and make an effort to determine the concept of identity within a spatial framework often determined by the meeting of various cultures Moreover objects images and words can also travel and connect people from different worlds through books The volume thus brings together new scholarship focused on the interrelationship of travel space time and individuality which also includes of course women s movement through the larger world whether in concrete terms or through proxy travel via readings Travel here is also examined with respect to craftsmen s activities at various sites artists employment for many different projects all over Europe and elsewhere and in terms of metaphysical experiences catabasis Life of Johnson: The tour to the Hebrides, and The journey into North Wales. 2d ed James Boswell, 1934 **A History of the Holy Bible, from the Beginning of the World to the Establishment of Christianity** Thomas Stackhouse, 1817 **Johnson's Journey to the Western Islands of Scotland** Samuel Johnson, James Boswell, 1924 Boswell's Life of Johnson, Including Boswell's Journal of a Tour to the Hebrides, and Johnson's Diary of A Journey Into North Wales James Boswell, 1904 *Apostolici: or, the History of the lives, acts, death, and martyrdoms of those who were contemporary with, or immediately succeeded the Apostles ...
