

LEADING CULTURE CHANGE IN HR

CHANGE STARTS WITHIN HR

As an HR team, take an introspective look at their own practices, processes, and mindsets. This means identifying areas for growth, embracing continuous learning, and embodying the culture you aim to cultivate.

1

STRATEGIC COMMUNICATION

Develop a comprehensive communication plan that addresses the needs of various stakeholders (employees, leaders, external partners, etc.). Proactively address potential concerns, be open to feedback, and celebrate successes.

2

IT'S A JOURNEY, NOT A DESTINATION

Adopt an iterative approach - measure progress, gather data, and be willing to fine-tune your strategies based on insights. Building a culture of adaptability and resilience within your own HR team and the broader organization is crucial for navigating future waves of change.

3

CULTURE CHANGE = BUSINESS RESULTS

Connect the dots for your audience. How do the strategies you've discussed translate into improved employee engagement, enhanced customer experiences, greater innovation, and higher profitability? Ground your insights in the concrete results that matter to business leaders.

Education in Motion Michael Fullan,2003 Freedom to Change: Four Strategies to Put Your Inner Drive into Overdrive Michael Fullan,2015-05-08 Break free to make real change for yourself and others Have you ever felt like your progress was being blocked not just by your own circumstances but by the presence and actions of others Freedom to Change releases you from the trap of constantly telling yourself that you d be more successful at teaching leading or contributing to an organization if only others didn t stand in your way In his engaging irreverent style bestselling author Michael Fullan explores the two kinds of freedom in our daily lives freedom from obstacles versus freedom to take initiative and act Gaining freedom from barriers has no value in itself until it is partnered with an equally determined sense of what you truly want What change would you like to bring about for yourself or those around you Given that human nature and productivity are fundamentally social Fullan prescribes four dynamically interrelated actions

we can take
Consciously seeking a balance between our own autonomy and cooperation with others
Improving the feedback exchange giving more valuable responses as well as eliciting hearing and accepting feedback more effectively
Building accountability to others into the fabric of our working lives
Finding ways to influence others with the changes we've made and want to spread
Illustrated and enriched with examples from education business and nonprofit sectors
Freedom to Change offers recommendations for both individuals and organizations seeking to enhance connectedness and independence
