The cover features a large, stylized illustration of two hands reaching towards each other, one from the left and one from the right, set against a background of a hexagonal grid. The grid is composed of various shades of blue, white, and orange. The hands are rendered in a dark red color. The overall design is modern and abstract, with a strong geometric theme.

Macroeconomics Campbell R. McConnell, Thomas Paul Barbiero, Stanley L. Brue, 2002 The major goals of this revision have been to streamline the text and to present more student oriented examples We are also providing a new design with enhanced four colour graphics Much fine tuning and trimming has gone into almost every chapter resulting in a more approachable textbook for your students Several chapters that are rarely used will now appear on the book's website The 9th edition will be much better integrated with the book's website where students can get additional information and or current events associated with many major topics in the text Also the website will have Want to see the Math Notes for those instructors that choose a more sophisticated math treatment of the major topics in both Micro and Macro Another commitment to Instructor Support will be the annual updating of time sensitive PowerPoint slides Economics Campbell R. McConnell, Stanley L. Brue, 1996 This textbook focuses on three primary areas the internationalization and thorough updating of the presentation a restructuring of macroeconomics and the addition of pedagogical features to help the students get the most from every chapter **Microeconomics** Campbell R. McConnell, Stanley L. Brue, 1996 Offering a unique blend of solid theoretical content and student accessibility this text stands apart with its emphasis on intriguing applications that convey the prevalence of economics in everyday life By applying economics to phenomenon that students are familiar with and interested in this book demonstrates like no other text how economic analysis can be applied to virtually anything of interest thus helping students develop true economic intuition Additional student oriented features include a unique active learning format an emphasis on developing economic analysis skills and an outstanding visual program for exhibits and graphs Content highlights include balanced presentation of major macro theories a micro presentation that centers around the trilogy of objectives constraints and choices thorough integration of international topics and fully integrated Internet features that offer hands on exercises for exploring economics on line Microeconomics 5e is also available in a macro split and both micro macro are in the principles text **The National Union Catalog, Pre-1956 Imprints** Library of Congress, American Library Association.
