

# High School Memories

the thing that connects us to our high school past  
is what we remember  
whether its the heat of August  
or the cold of December

will it be you high school sweethearts kiss  
that you will dearly miss  
will it be it be all the fun and romance  
that had you caught in a sweet trance

i can tell you now that the memories i will have  
will be that of the friends i had  
and the way they made me laugh so much  
so as for memories and good times  
these ones will be such

*Letting Go* Donna King, Catherine G. Valentine, 2015-09-30 At a time when women are being exhorted to lean in and work harder to get ahead *Letting Go* Feminist and Social Justice Insight and Activism encourages both women and men to let go instead The book explores alternatives to the belief that individual achievement accumulation and attention seeking are the road to happiness and satisfaction in life Letting go demands a radical recognition that the values relationships and structures of our neoliberal competitive striving accumulating consuming exploiting oppressive society are harmful both on a personal level and especially important on a social and environmental level There is a huge difference between letting go and chilling out In a lean in society self care is promoted as something women and men should do to learn how to relax and find a comfortable work life balance By contrast a feminist letting go and its attendant self care have the potential to be a radical act of awakening to social and environmental injustice and a call to activism
