Juliana Claassens, Bruce C. Birch, 2015-05-15 The Bible has the unfortunate legacy of being associated with gross human rights violations as evident in the scriptural justification of apartheid in South Africa as well as slavery in the American South What is more the Hebrew Bible also contains numerous instances in which the worth or dignity of the female characters are threatened violated or potentially violated creating a situation of dehumanization in which women are viewed as less than fully human And yet the Bible continues to serve as a source of inspiration for readers committed to justice and liberation for all But in order for the Bible to speak a liberative word what is necessary is to cultivate liberating Bible reading practices rooted in justice and compassion *Restorative Readings* seeks to do exactly this when the authors in their respective readings seek to cultivate Bible reading practices that are committed to restoring the dignity of those whose dignity has been violated by means of racial gender and sexual discrimination by the atrocities of apartheid by the HIV AIDS pandemic and by the dehumanizing reality of unemployment and poverty

**Because of Eve** Joseph E. Early, Jr., 2022-10-15 *Because of Eve* is a thorough examination of how the Church and

Christian men sought to define women and the roles women must play within the church home and society for more than two thousand years The book examines the works of theologians decrees of councils canon law statements of faith and a myriad of other pronouncements that affected their generation and the following generation s beliefs concerning women Each chapter considers the era in which these beliefs were voiced as much of what was accepted as orthodoxy was reflected in or based on cultural beliefs WORDS OF PRAISE This important study surveys the roles of women roles often assigned to them by men through both biblical testaments and across Christian history to the contemporary church It is a significant research resource for understanding historical theological spiritual and cultural interactions between males and females and the religious dogmas that influenced and divided them Bill J Leonard Emeritus Professor of Divinity Wake Forest University Joseph Early has meticulously researched the primary sources throughout the history of the Church to show definitively how men for their own purposes have used the Bible to categorize and define women Early then goes further to show how these erroneous and unbiblical beliefs are reflected and amplified in some modern day theologies and practices As an observer of this six year long research project I can attest to the author s innate dedication and fidelity to the task of showing how God s word is not detrimental to women but instead uplifts them as co heirs with Christ and indeed on equal ground with their brothers in Christ Twyla K Hernandez Professor of Missions Campbellsville University Joseph Early s Because of Eve Historical and Theological Survey of the Subjugation of Women in the Christian Tradition is an incredibly useful compendium of Christian men s beliefs about women across church history With careful detail and ample primary source evidence Early demonstrates how for most of church history men have offered biblical interpretations and constructed misogynistic theologies that maintain and reproduce the subordination of women This volume will be helpful for academics and general readers alike for its comprehensive documentation of the treatment of women in men s thinking and writing from biblical times until the present Susan M Shaw Professor of Women Gender and Sexuality Studies Oregon State University

**The LORD's Service** Robert D. Macina, 2019-06-26 Worship in the Old Testament has been frequently misunderstood Its rites and ceremonies are often perceived as legalistic works that were required by an angry God to gain his favor or avert his wrath But is that really what the Bible teaches To be sure the LORD did institute the divine service in the Old Testament with all of its laws rites and ceremonies Yet did God do this in order to be appeased or pleased by the ancient Israelites When the priests enacted the offerings and sacrifices at the sanctuary was it merely to do good works that God required but without meaning or purpose for his people Was worship in the Old Testament always what the people did for the LORD or did God do anything that was beneficial to the Israelites This book answers these questions and furthermore dispels the recurring misinterpretation of worship in the Old Testament The LORD established the divine service in the Pentateuch not to receive what he demanded from the people of ancient Israel but on the contrary to cleanse them from their sinful impurities sanctify them to share in his holiness and dwell among them with his blessing

**The Jesus You Really Didn't Know** Andy

Angel,2019-09-09 The problem with too much Christianity today is that we replace the person of Jesus with a doctrine of grace Living in denial of Jesus teaching on judgment and holiness too many Christians take refuge from the sayings of Jesus in doctrines of forgiveness that they hope will bolster up their sense of self worth before God Andy Angel tackles this dysfunctional spirituality head on opening up the journey of learning and love into which the living Lord Jesus invites us all Unpacking the Gospel of Matthew he encourages us to rediscover the teaching ministry of Jesus in our own lives and in doing so to recover the riches and freshness of the gospel message and to rediscover the depths of love Jesus has for each one of us

*Measuring Twice, Cutting Once* Jerome C. Crichton,2025-12-16 In a world of theological snap judgments where doctrines are often wielded as weapons *Measuring Twice Cutting Once* is a profound call to careful humble and courageous reflection Jerome C Crichton challenges the sentries of religious tradition not with rebellion but with a deeper faithfulness to the God revealed in Jesus Christ This groundbreaking work dares to re measure long held assumptions on some of the most pressing issues in modern faith the problem of evil the nature of sin divorce the Sabbath women in ministry and the church s response to queer identities Crichton masterfully distinguishes between the organic Spirit led ekklesia and the man made institutional church arguing that true authority belongs to Christ alone *Measuring Twice Cutting Once* is for anyone who has ever been marginalized for asking hard questions It is an invitation to move beyond black and white certainty and into the complex beautiful colors of a God whose thoughts are not our thoughts This is not a book of easy answers but a faithful guide for those who believe that good theology done with prayer study and grace is the path to liberation **Ezekiel, Law, and Judahite**

**Identity** Joel B. Kemp,2020-08-04 La 4e de couverture indique In this study Joel B Kemp reveals that by focusing on legal imagery and juridical diction in Ezekiel 1 33 additional clarity for the meaning function and internal logic of several passages emerges He also shows that the authors of Ezekiel use legal elements to describe Judahite identity post Babylonian conquest

**Is God a Moral Monster?** Paul Copan,2011-01-01 A recent string of popular level books written by the New Atheists have leveled the accusation that the God of the Old Testament is nothing but a bully a murderer and a cosmic child abuser This viewpoint is even making inroads into the church How are Christians to respond to such accusations And how are we to reconcile the seemingly disconnected natures of God portrayed in the two testaments In this timely and readable book apologist Paul Copan takes on some of the most vexing accusations of our time including God is arrogant and jealous God punishes people too harshly God is guilty of ethnic cleansing God oppresses women God endorses slavery Christianity causes violence and more Copan not only answers God s critics he also shows how to read both the Old and New Testaments faithfully seeing an unchanging righteous and loving God in both **The Queer Thing About Sin** Harry Tanner,2025-09-25
