**Living Your Life, While Trusting God with Theirs** Mary Lynn Ludwig, 2014-08-12 Do you have a teenager or adult child whose difficulties seem to be preventing you from living your life We are not responsible when they choose the wrong path We are not responsible to carry them if they take drugs or commit crimes Even when they have a disease such as mental illness we cannot carry this load for them Do you feel guilty as if you can't do enough to help Do you question what you didn't do right or what you did wrong Are you compelled to somehow make this right You can be freed from this false belief and start living your life God does not hold you responsible Galatians 6:5 says for each one should carry his own load Taking on others responsibilities is not being a good person it is enabling the person and preventing them from growing as a person It is important to know what you are responsible for and what you are not My son Bradley had paranoid schizophrenia It was serious and I had to learn new ways to cope and help him Much of what I needed to learn was to give it to God and then find people to help me After ten years of Brad in several apartments group homes and the mental health complex he passed my son died due to his medication that ruined his heart I stand only by the grace of God In this book I impart to you what has helped me
