**Words on Cassette, 2002** R R Bowker Publishing, 2002      *Late Antique Jewish and Christian Travelogues* Reuven Kiperwasser, Aryeh Kofsky, Serge Ruzer, 2024-12-16 Focusing on travel narratives as a setting for spelling out both cultural exchanges and identity building the present volume maps a variety of strategies employed in travelogues by Christians and Jews in the late antique Roman East The first part sheds light on the shared cultural background folkloric or mythic reflected in late antique Jewish and Christian sea travel stories and the various attempts to adapt it to a specific religious agenda While the comparative analysis of the sources from two textual communities emphasizes their different religious agendas it also allows for restoring patterns of the broader background with which they converse The second part highlights Christian perceptions of the Land of Israel in missionary enterprises and in the eschatological visions The travelogues offer a window on the interplay between shared inheritance and new agendas within the dialectical development of religious traditions in Late Antiquity      **The Life and Adventures of Robinson Crusoe** Daniel Defoe, 1883      Theatre World 2005-2006: The Most Complete Record of the American Theatre John Willis, Ben Hodges, 2008-07-01 Now in its 62nd year Theatre World provides a complete statistical and pictorial record of the Broadway and off Broadway theatre season Each entry includes complete cast lists producers and directors authors and composers opening dates plot synopses and biographical information      **The life and ... adventures of Robinson Crusoe, with illustr. by J. Williamson** Daniel Defoe, 1903      **The life and adventures of Robinson Crusoe, with illustr. by J.D. Watson** Daniel Defoe, 1879      *Companies and Their Brands*, 1994 *America*, 1911 The Jesuit review of faith and culture Nov 13 2017      *The Life and Strange Surprising Adventures of Robinson Crusoe of York, Mariner* Daniel Defoe, 1873      **The Shakespeare Head Edition of the Novels and Selected Writings of Daniel Defoe: Captain Singleton. 1927** Daniel Defoe, 1927      **North-western Christian Advocate**, 1919 The Shakespeare Head Edition of the Novels and Selected Writings of Daniel Defoe: Captain Singleton Daniel Defoe, 1927 Francophonie edition, 1973      International Christian Literature Documentation Project Douglas W. Geyer, 1993 *El-Hi Textbooks in Print*, 1980      *The Sultan's Renegades* Tobias P. Graf, 2017 The figure of the renegade a European Christian or Jew who had converted to Islam and was now serving the Ottoman sultan is omnipresent in all genres produced by those early modern Christian Europeans who wrote about the Ottoman Empire As few contemporaries failed to remark converts were disproportionately represented among those who governed administered and fought for the sultan Unsurprisingly therefore renegades have attracted considerable attention from historians of Europe as well as students of European literature Until very recently however Ottomanists have been surprisingly silent on the presence of Christian European converts in the Ottoman military administrative elite The Sultan's Renegades inserts these foreign converts into the context of Ottoman elite life to reorient the discussion of these individuals away from the present focus on their exceptionality towards a qualified appreciation of their place in the Ottoman imperial enterprise and the Empire's relations

with its neighbours in Christian Europe Drawing heavily on Central European sources this study highlights the deep political religious and cultural entanglements between the Ottoman Empire and Christian Europe beyond the Mediterranean Basin as the shared world par excellence The existence of such trans imperial subjects is not only symptomatic of the Empire s ability to attract and integrate people of a great diversity of backgrounds it also illustrates the extent to which the Ottomans participated in processes of religious polarization usually considered typical of Christian Europe in this period Nevertheless Christian Europeans remained ambivalent about those they dismissed as apostates and traitors frequently relying on them for support in the pursuit of familial and political interests
