Shades of Pink Series Bundle Volumes 11-15 Katrina Millings, 2025-04-10 Five stories Amy I was only accepted into the sorority house because the hot girls who lived there needed a nerdy smart girl to tutor them Every girl in the house had a job and that was mine I spent most of my time studying alone in my room crushing hard on my roommate Lola She enjoyed partying the night away more than she liked to study Then one night I managed to convince her she d be better off hitting the books with me I thought I was being a good influence but it turns out that Lola knows exactly what she wants and tonight that s me Finley I d wanted a mistress for a

while Not just any mistress would do either I couldn't see myself with anyone but Layla All I wanted to do was serve her I knew I was ready but she wasn't so sure I was new to BDSM and she liked a certain type of girl One who was ready for whatever she dished out If I wanted her I was going to have to pass the test and prove I was that girl Harley I'd known Miranda for a year She was a mistress but not my mistress We'd met in a BDSM bar and become fast friends I'd wanted her from the moment she'd sat down next to me and offered to buy me a drink She hadn't thought I was the right type of woman for her Now after all this time I'd convinced her to give me one chance to prove she was wrong and I didn't intend to fail Sydney Every time she came in to browse the book store where I worked my eyes were glued to her She was a secret fantasy of mine and I was convinced that's all she'd ever be Then one night she invited me to spend the evening with her and I discovered we were more alike than I ever could have imagined Her name is Elizabeth but I call her Madam Sarah Valerie was my assistant I couldn't make it without her I was a successful woman running a company I'd built from the ground up I was tough because I had to be but some of my employees didn't see it that way I was just a grumpy dragon lady to them Valerie didn't see me that way though She always said I looked like I had the world on my shoulders Then one afternoon she offered to trade places and take charge for a while Before long I realized she wasn't talking about the office So I followed her home to her place where I was no longer the lady boss I wasn't the one giving orders anymore and you know what I liked that a lot more than I would have ever imagined lesbian FF Sapphic spicy LGBTQ dominatrix mistress lady boss female dominant alpha female domme submission domination punishment spanking bondage restraints training employer boss office college lesbian BDSM lesbian short erotica

Moore, 2020-09-05 **Shades of Pink Series Bundle Volumes 16-20** Katrina Millings, 2025-04-27 Marley I wasn't the vanilla type and my roommate Callie sure wasn't You'd think that would make for fun times but no Callie didn't want to risk our friendship but she did have an invitation to a party where I could find what I was looking for a mistress to serve if she'd have me Lucille was a beautiful red head with a thing for newbies I was in good hands so I followed her into the basement where the games began Antoinette I was just the maid It wasn't my business what the mistress of the house did right Still I heard things The walls spoke loud and clear in that house You see when I say Dominique is the mistress of the house I mean in more ways than one So yes I was only the maid but I was about to become much more The basement had always been off limits but we'd both known the day would come when I would walk down those steps and everything would change Hannah

Ms Hanscom was the librarian on the university campus but she was so much more than that once the library closed at night and it was just us three My best friend Emma and I worked for her to earn extra cash We served her in more ways than one when her office door closed behind us If we thought she was difficult to please on the clock there was no telling what she had in store for us after hours Frankie I d been online looking for the right mistress Eventually I found two Eden and Amanda were best friends who didn t mind sharing the right sub As for me I adored them both and couldn t believe I was lucky enough to not have to choose I was new to their world on the outside looking in but they were there to guide me until the time was right to start my training I d started to think that time would never come but then one weekend I followed them into the woods to a secluded cabin on the lake That s when I learned that two mistresses can be better than one but they are also much harder to please Bernadette It had been a while since I d seen Professor Brennan Too long in fact She wasn t the only mistress in town but she was the only one I had any desire to serve Of course I always knew where to find her She liked to hang out at the Pink Haven a club that had fetish night every third Saturday of the month I d been there a few times I knew she wouldn t appreciate me showing up uninvited but one thing about my mistress is that she liked to dish out the discipline so if I wanted her attention lesbian BDSM FF FFF multiple partners lgbtq dominatrix mistress lady boss female dominant domme domination submission bondage spanking librarian maid professor student college boss office lesbian short stories
