Let Us Worship:

Let Us Worship God Derek W. H. Thomas, 2021-11-02 Worship isn't just something we do; it's the purpose of our existence. Every week Christians come together to share a taste of heaven itself where all of God's redeemed people will exalt His holy name forever. But what's really going on when we worship? And what's worship supposed to look like in the life of the church? In *Let Us Worship God* Dr. Derek Thomas addresses the how and why of Christian worship. May we worship God however we want. Do we need the church or can we worship alone? What are the necessary elements of a worship service? These and other questions find their answers in these pages leading us to a greater understanding of worship as life's highest privilege and richest joy.

Come, Let Us Worship H. Burnham Kirkland, 2000 Arranged according to the seasons of the church year, this volume presents several worship aids for every Sunday: a call to worship, an invocation, a ritual of friendship, an offertory sentence and prayer, a benediction, and a pastoral prayer. Each is designed to make the Sunday morning worship experience meaningful and uplifting. Having just read *Come Let Us Worship*, I can highly recommend it to pastors. How I wish I had had it available to me in my early ministry. It is rich in quality and variety. James K. Matthews, United Methodist bishop, Washington DC. Dr. Kirkland, with skill and artistic imagination, offers fresh and exciting wording that captures the highest form for praise, spiritual preparation, and petition and reflects the mood of sincere reverence that ought to characterize corporate worship at its best. Earl G. Hunt Jr., United Methodist bishop, Lake Junaluska, North Carolina. During more than fifty years in the ministry, H. Burnham Kirkland served as the pastor of eight local congregations and as a missionary in the Philippines as well as being district superintendent, twice conference program director, and treasurer of World Missions of the United Methodist Church. A graduate of the College of the City of New York and Union Theological Seminary in New York City, Dr. Kirkland also holds honorary doctorates from Philippine Wesleyan University and DePauw University, Greencastle, Indiana.

Let Us Worship Judson Cornwall, 2013-10-30 *Let Us Worship* provides us with a comprehensive overview of the importance of worship. It is a believer's manual that leads the reader into the very presence of God. In this book, Dr. Cornwall shows the reader that worship is: The beginning of revival. An interpersonal relationship between man and God. A present moment activity. Love responding to love. An expression of faith. The total release of our spirit to God's Spirit. [Come, Let Us Worship](#) R.L. Evans, The Christian's worship, praise, and adoration of God transcends the gathering together in churches. It extends into everyday life. The call to worship, praise, and adoration is not only for religious ceremonies and for assemblies but it also has to characterize the believer's lifestyle and existence. In the first book of this series, we will discuss the various dimensions of worship. Through the examination of biblical and religious terminology, a proper appreciation of the believer's Call to Worship is established.

Let Us Praise/Let Us Worship Judson Cornwall, 2006-07 Two Judson Cornwall timeless books combined into one. *Let Us Praise*: Have you desired to praise God more freely but don't know how? This book is for you. Judson Cornwall weaves lessons through 350 Scriptures that pertain to praise, assuring that praise is patterned by God and
