## Letters From America:

**Letters from America** William Eddis, 2009-02      **Letters from America** Rupert Brooke, 1916      *Letters from America, 1946-1951* Alistair Cooke, 1981      **Letters from America, 1946-1951** Alistair Cooke, 2015-03-03

Cooke is one of the most gifted and urbane essayists of the century a supreme master The Spectator As the voice of the BBC s Letter from America for close to six decades Alistair Cooke addressed several millions of listeners on five continents They tuned in every Friday evening or Sunday morning to listen to his erudite and entertaining reports on life in the United States According to Lord Hill of Luton chairman of the BBC Cooke had a virtuosity approaching genius in talking about America in human terms Letters from America 1946 1951 contains highlights from the first five years of Alistair Cooke s legendary BBC radio program years when listeners were eager to put the horrors of World War II behind them Cooke s lively and illuminating dispatches from New York perfectly capture the spirit of the times From the significance of Labor Day to reflections on the changing seasons to the heroic Long Island duck that saved two people from drowning little escapes the broadcaster s sharp reportorial eye and affable wit This collection includes Cooke s historical tour of Washington DC and his thoughts on why New York is such a singular city and covers more serious topics such as the Soviet threat and the anxieties of the atomic age Always captivating Cooke treats the reader to profiles of Joe Louis and Will Rogers and reflections on Damon Runyon s America and concludes with a Letter to an Intending Immigrant Letters from America 1946 1951 the first volume of Cooke s iconic broadcasts offers a captivating journey through culture history and politics and is a classic of twentieth century journalism      Letters to America Tom Blair, 2015-11-10 Letters to America was written to energize Americans at a time of economic stress and self doubt By reading of the sacrifices the previous American generations that often endured everyday hardships beyond the comprehension of those of us with running water challenges confronting individual modern Americans pale in comparison Starvation and hardship was a given for the early settlers and yet somehow they persevered and through the fruits of their labors and the tenacity of subsequent immigrants and their descendants the United States of America grew and flourished Do we have the work ethic and perseverance today of our forefathers Do modern Americans even know what true suffering is Tom Blair believes that Americans can come together to solve this country s problems but they will need to be able to sacrifice and work like those who have come before us A blending of Forrest Gump Roots and a Profiles in Courage populated by characters from the country s past Letters to America is a compilation of twelve letters each a chapter told in first person by fictional Americans about their everyday lives The voices are entirely distinct men women and children white black Native American Jewish spanning four centuries from early American settlers in Jamestown in the 1620s to modern day corporate lunches in mid town Manhattan Yet the stories are loosely linked by subtle resonances and the letters have a cumulative effect that is both humbling and deeply affecting filled with hope for a future that can be as inspirational as our past      **Letters from America** James Flint, 1822      **Letters from America** James Flint, 1904      **Great Letters in**

**American History** Rebecca Price Janney, 2000 This book shows how faith played a major role in U S history through letters written by key figures from the Colonial Period to the 1990s Letters from the revolutionary period refer to the battle for independence and the stages of the young republic's development During the Civil War period letters point to the battle of brother against brother and to healing the post war wounds Letters from overseas during World War I and letters of hope and opportunity during World War II document the path of the 20th century followed by letters from the 50s to the 90s This book gives a new perspective on history as it helps readers understand events from our nation's past on a more personal level     *Letters from America* Alistair Cooke, 1981     *Letters from America* William Eddis, 1969     Letter from America Alistair Cooke, 2005 Imbued with Alistair Cooke's good humour elegance and understanding Letter from America is a captivating insight into the heart of a nation The second volume includes Cooke's moving evocation of the events of September 11 2001 and its aftermath The volume ends with his last broadcast in February 2004 discussing the US presidential campaign     *Letters From America, Containing Observations On The Climate And Agriculture Of The Western States, The Manners Of The People, The Prospects Of Emigrants, &c. &c. ; By James Flint* James Flint, 1822     **Letters from an American Farmer** J. Hector St. John Crèvecoeur, 2003-01-30 First published in England in 1782 Crèvecoeur's Letters from an American Farmer was one of the first works to describe the character of the average American at the close of the Revolutionary War His famous question What then is the American this new man summarized the European's interest in and questioning of the new country of America at a time when centuries of tradition had just been overturned and post colonial Americans were attempting to describe themselves in a new way Through the character of James the letters celebrate the land of America its space and fertility and the character of Americans themselves their work ethic and spirit of personal determination The Letters also look at the darker side of American life particularly the issue of slavery The discussions of American identity participation in war or not and the perception of immigrants and their ethnicity make this book as relevant to our understanding of ourselves today as it was in 1782     **Letters from America** Rupert Brooke, 2007 In May 1913 Rupert Brooke embarked on a year long expedition of North America visiting the United States Canada and finally the South Seas He sent his impressions home in a series of letters written for publication in the Westminster Gazette describing all his various experiences and reflections the beauty of arriving by boat at night in New York the novelties of a baseball game the awesome grandeur of Niagara Falls and the Canadian wilderness and the full deliciousness of traveling in an American train by night through new scenery He is blunt in his judgments on society business and cities playful in his accounts of Anglo American relations and finally humbled by the vastness of the landscape in which he finds himself Henry James's foreword to the collection on its publication in 1916 is included here as an afterword     Kipling's America Rudyard Kipling, 2003 Kipling was just twenty three years old when he reached San Francisco in May 1889 he immediately began recording the sights and sounds of boom town America For four months he toured the United States publishing accounts of his journey in the Pioneer

a major newspaper in western India A few years later when he lived in Vermont Kipling wrote several syndicated articles published in both England and the U S Then in 1899 he revised and abridged the Pioneer versions and published them in From Sea to Sea The second series of syndicated articles he collected in Letters of Travel 1920 Most of these travel writings are now out of print In Kipling s America Professor D H Stewart brings all of these articles together and reproduces the original printed versions Readers are provided with the opportunity to hear again Kipling at his cocky and often opinionated best From Kipling s perspective America unleashed the chaotic energy latent in human beings and he was uncertain whether this energy inevitably would be productive or destructive That some of his impressions were one dimensional is undeniable but equally undeniable is his gift of language his access to a ready lexicon often composed of what he termed a perpetual Pentecost to describe the talking in tongues heard in British Overseas Clubs throughout the Empire This hodgepodge of European languages counter pointed with pidgin English Chinese Hindi American produced a symphony or cacophony of bountiful word play BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
