from Phillis Wheatley's civil rights advocacy as well as the similarities between *Caged Bird* and Harriet Jacobs' *Incidents in the Life of a Slave Girl* and Paul Lawrence Dunbar's poetry. The Paris Review's Christopher Cox reminds readers of how revolutionary Angelou's autobiography was when it was published and recounts the comments Angelou made on her work in an interview with George Plimpton. Four original essays by Amy Sickels, Pamela Loos, Neil Heims, and Robert C. Evans provide valuable context for readers new to Angelou's work. Sickels discusses the historical events that surround Angelou's life: the civil rights, black power, and black arts movements, as well as the emergence of black women's literature with the first publications of Toni Morrison, Nikki Giovanni, Alice Walker, and Lucille Clifton. Loos provides a survey of the major pieces of criticism on *Caged Bird*, paying special attention to the book's early reception and how it fits in the autobiographical genre and slave narratives, as well as issues of race, gender, aesthetics, and identity. Neil Heims discusses the struggle for a black identity through readings of both *Caged Bird* and James Baldwin's *If Beale Street Could Talk*. Finally, Robert C. Evans examines the role that both formal and informal education play in the young Maya's maturation. The collection also includes ten previously published essays that examine *Caged Bird* through a variety of lenses. Critics examine the character of young Maya, noting how her rootlessness contributes to her perseverance and adaptability, as well as how Angelou's narrative technique allows her to recount the details of incredible life without being controlled by them. The book's treatment of sexual abuse is also investigated in the larger context of other black women's narratives of sexual abuse. Other critics attend to *Caged Bird*'s place in the genre of ethnic autobiography and the particular challenges it presents to teachers seeking to expose students to multicultural literature, the childhood roots of Angelou's political activism, the influence of blues music on the narrative's structure, and the young Maya's relationships with the black community, literature, and the women in her life.
