Then discover how dying to self is what ushers in an anointing that makes the unbeliever take notice of God's glory **Is God with America?** Bob Klingenberg, 2006-04 America finds herself behind a curtain of atheistic and evolutionistic Secular Humanism Has God now disowned His daughter America Has America now lost her only true defense system against terrorism namely God himself *Until He Comes Simon* Thielemann, 2025-10-17 Establish your hearts for the coming of the Lord is at hand James 5 8 Contrary to popular belief the primary purpose of studying the end times is not to gain knowledge of what will come but to gain knowledge of Jesus We study biblical prophecy not to predict the future but to understand God's heart and His purposes and to be transformed into the image of Christ To love the Lord is to love His return At this hour Jesus is drawing the bride close to His heart emphasizing the hope of His coming and equipping her for glory and crisis In short God wants a people prepared This comprehensive book will help you anchor your faith in the eternal truth of God's Word teaching you how to apply it to your life It also includes extensive study material and practical invitations to deepen your relationship with God Gain biblical insight about how to live in these last days Pursue greater intimacy with the Father Son and the Holy Spirit Ignite your passion for the Word of God Refine your theology of covenants grace kingdom and prophetic fulfillment Align with God s plans and purposes for Israel and the church Develop a deep longing for Jesus return and become one of His end time messengers Prepare for the coming King The One Another Principles The Bravehearted Gospel Eric

Ludy, 2008-08-01 Eric Ludy calls believers to put a stop to an alarming trend in today s church Contemporary culture has accused Christians of being politically incorrect unloving and narrow minded in their devotion to God and His Word And the church has unwittingly played right along It has grown to have more in common with the world than with Christ It seems more concerned about pleasing men than God It sets aside the pursuit of eternal truth for the pursuit of temporal pleasures How serious is the problem and what are the solutions What does a bravehearted kind of Christianity look like Eric presents the Christianity of the Bible as the most explosive most vibrant most extraordinary force on Earth a force meant to bring glory to the Most High God and turn people s hearts in His direction After reading The Bravehearted Gospel no Christian will ever want to go back to Christianity as usual Echoes of Eden Eddie Dutra, 2016-06-24 The neoliberal theologians who intend to repaint Christianity say they are reacting to the errors and abuses within the church against the false promises of the Prosperity theology and the modern Pharisees who use legalism as a means of oppression and control The truth however is that they incur in the same mistakes of them Those of the Prosperity Gospel or those of the postmodern church philosophy lead the ministry according to peoples desire not according to Gods interests or the true spiritual need of people The Prosperity theology adapted to a greedy society that sees Jesus only as the multiplier of loaves and fishes and a free healer therefore it gave them what they wanted The postmodern Christians changed the speech and emphasis but reproduced the same pattern of ministry When we compare them both groups are alike they all use pragmatism as foundation for ministry thus their teachings are unbiblical their practice unethical and its results devastating to the Christian faith The new painters take advantage of the mistakes of some groups of the evangelicalism with this they find the opportunity to throw out the baby with the dirty bathwater they throw away the true Gospel along with the errors of the church Such opportunism is clearly detected in their effort to establish a stereotype to represent historic Christianity as a group of ignorant and devoid of love Fundamentalist fanatics while they pose as open minded good boy preachers and love givers with no trace of prejudice By opposing legalism these men went to the other extreme they became libertines Thus their offered antidote became worse than the poison itself The neoliberal theologians came not to bring healing to the churchs problems rather they aggravated it They are opportunists who are creating a neo Christianity under the perspectives of this new postmodern world
