Lesbian Erotica A Girl On Girl Fantasy English Edition:

Fantasies of Femininity Jane M. Ussher, 1997 In *Fantasies of Femininity* Jane Ussher focuses on unraveling the contradictory visions of feminine sexuality the fact that representations of the definition of woman seethe with sexuality yet for centuries women have been condemned for exploring their own sexual desires In her quest for the sources of feminine representation Ussher interviewed dozens of women as well as some men and combed popular media from *Seventeen* to *Cosmopolitan* and *Dallas* to *Donahue* to identify what shapes women's symbolic images of sex and femininity Ussher argues that women have effectively resisted and subverted these archetypal fantasies of femininity and in the process of so doing reframed the very boundaries of sex In this way she exposes as myth much of what we think we know about woman and about sex

Girls Gone Skank Patrice A. Oppliger, 2015-02-18 Instead of advancing women's social and professional empowerment popular culture trends appear to be backsliding into the blatant sexual exploitation of women and girls at younger and younger ages This study investigates the effects of mass marketed sexual images and cultural trends on the behaviors and attitudes of young girls and describes many ways in which young girls are increasingly taught to go to outrageous lengths in seeking male attention Topics include the powerful effects of cultural phenomena such as revealing fashions plastic surgery and beauty pageants in influencing teen and preteen girls to willingly participate in and promote their own sexualization These chapters also explore other cultural factors contributing to this early sexualization of young girls including absentee parenting and material overindulgence Later chapters focus on the sexual representations of females in the mass entertainment media focusing specifically on how popular magazines television programs films and the Internet prey upon promote and reinforce young girls physical and sexual insecurities
