Lessons from My Journey Angela C., 2011-07-12 Everyone's Journey is Different But if we stay on God's path it will lead us closer to Him I am led to share some of the lessons I have learned from my journey so far with you I have completely surrendered my will my life my needs my wants my past my present my future my highest dreams and my deepest longings to God I trust the Omnipotent One to lead me so I can grow in Him I know that one day when I get to Heaven I will realize that the smooth paths I would have chosen for myself would have kept me from being there *A Hero's Journey* Chris Dooley, 2022-09-06 A Hero's Journey Beyond Little Norway and Olympia Sports Camp is a compiled history of the Olympia Sports Camp in Huntsville Ontario through the lens of its founder and inspiration Dave Grace the hero of the book's title The hero's journey of the title is Dave Grace's adaptation of the writings and teaching of philosopher Joseph Campbell The basic tenet of the Dave Grace's hero's journey is that heroes all go through a 12 step journey from their own comfort zone to the unknown and all its challenges to a new normal where the hero bestows knowledge learned on others in order to help them on their journey Dave Grace's foundational belief is that we are all heroes on our own path and who we become on our journey is more important than the accomplishments we achieve A Hero's Journey chronicles the people and places that make up the history of the camp while also serving as an inspirational guidebook for readers to each become the hero of their own journey This book also examines the history of the land on which the camp has been built from its Indigenous origins to

the European settlement of the 1800s and to the use of the land by the Norwegian Air Force during World War II The book takes readers on a journey through the various stages related to the development of the camp first established in 1974 The book is built on a collection of stories related to mentorship sports psychology and community building as well as interviews of past campers coaches and others with a longtime association with Olympia With this book author Chris Dooley honours Dave Grace and the many others who have been integral to the history of the camp and its land **The Path to Wholeness**
